Subject: Campus Safety and Security Audit Report

The University of Texas at San Antonio conducted an audit of Campus Safety and Security. The objective of this audit was to determine if building access controls and the security camera system are effectively managed and monitored by the UTSA Police Department.

The report contains confidential information that relates to computer security and is not subject to the disclosure requirements of the Texas Public Information Act, based on the exception found in the Government Code § 552.139. Specific results and recommendations were made to appropriate management members.
