

## State Law

### **First Choice**

The laws of the State of Texas will govern the contract.

### **Second Choice**

Remove this provision from the contract and make the issue silent.

### **Third Choice**

Agree that the contract will be construed and interpreted according to the law of the Sponsor's state/country BUT carve out the indemnification provision which will be interpreted according to the laws of the State of Texas.

### **Last Choice – Form G**

Agree that the contract will be construed and interpreted according to the law of the Sponsor's state/country.

**CAREFUL HERE: Only use this when we are NOT indemnifying them. Contact the Intellectual Property Section at the UT System Office of General Counsel for tips on how to handle this provision when we ARE indemnifying them.**
