

UT CONNECT

Extraordinary Service for Your Healthcare Needs

CONVENIENCE EXPERTISE
QUALITY

2020-2021

UT System Health
Benefit Option

PERSONALIZED SUPPORT AND SERVICES. SAVINGS ON DEDUCTIBLES AND PREMIUMS. ACCESS TO CARE.

An Option With Extra Advantages

UT CONNECT. It's a health benefit option for 2020-2021 coverage, available to UT System employees and non-Medicare-eligible retirees living or working in Dallas, Tarrant, Collin, Denton, Parker or Rockwall counties.

MORE

UT CONNECT offers opportunities to save on copays, deductibles and premiums (from about \$300 to \$600 per year for dependent coverage) while providing for simple access to exceptional medical care.

CONNECTIONS DESIGNED TO MAKE HEALTHCARE WORK BETTER FOR YOU

Navigating healthcare can be tricky, no matter what type of medical coverage you have. With UT CONNECT, you'll have a service designed to take the guesswork out of getting the care you need, when you need it.

Healthcare Coverage That Goes Beyond the Basics

It covers the same benefits as UT SELECT, and it is administered by Blue Cross and Blue Shield of Texas. You'll also receive the extra advantages Southwestern Health Resources, the network UT Southwestern Medical Center and Texas Health Resources created to improve the quality of healthcare. It's at the core of UT CONNECT. For you and your family, this means a medical benefit dedicated to making healthcare work for you and your family.

QUALITY

This coverage gives you access to nationally recognized experts in medicine — doctors, caregivers and hospitals that are part of:

- **UT Southwestern Medical Center**
- **Texas Health Resources**

Increased Access to Care

UT CONNECT provides next-level service to members.

- More physicians in our network than last year.
- Coming in November 2020, more Texas Health Resources urgent care access with a reduced copay.
- Personalized service and support with a team committed to serving you, with experts to answer questions about your coverage, help with seeing a doctor, guidance on tough medical issues and more.

It's a service only available through UT CONNECT. You'll have experts working for you — this includes nurses who are connected to UT Southwestern medical directors. In addition to your regular doctors, you can call on the CONNECT Team for support.

Personalized Service

If you need help with going to a specialist, want to find ways to save even more on your out-of-pocket costs, or anything else related to your healthcare coverage, you'll have someone dedicated to helping you find answers.

Keep Money in Your Pocket With Savings on Dependent Coverage, Deductibles and Copays to See Doctors With UT CONNECT.

To participate in UT CONNECT, simply choose it as your medical benefit option. If you're already a member and don't change your healthcare benefits, your UT CONNECT coverage will continue for 2020-2021.

Doc Finder

To find doctors, urgent care centers, hospitals or other healthcare providers in the UT CONNECT network, call 1-888-372-3398 or go online to BCBSTX.COM/UTCONNECT.

Care Where and When You Need It

More than 10,000 doctors in North Texas are part of the UT CONNECT network. This includes:

- **Primary care physicians (PCPs)** to help with a range of healthcare needs.
- Some of the most **highly regarded specialists** in the United States, at the forefront of orthopedics, cardiology, neuroscience, cancer and other specialized care.
- For **pediatricians** you have many choices, including doctors your child may already be seeing.
- Also, you'll never need to contact your PCP before seeing a gynecologist.

Top-Ranked Hospitals

You'll be connected to nationally recognized hospitals, including:

- **UT Southwestern Medical Center**, including Clements University Hospital and Zale Lipshy University Hospital.
- **Texas Health Resources** locations, such as Texas Health Presbyterian Dallas, Texas Health Arlington Memorial, Texas Health Harris Methodist and many others.
- **Children's Health, Cook Children's** and all pediatric hospitals in North Texas.

SIMPLE

When you need it, you'll have access to outstanding medical care.

Urgent and Emergency Care

No worries about getting medical attention, even on weekends or when traveling — you're covered with UT CONNECT:

- **Urgent care providers** in-network, located in all 50 states, including 150+ urgent care centers in North Texas.
- **Emergency care** anywhere in the world.

THE UNIVERSITY *of* TEXAS SYSTEM
FOURTEEN INSTITUTIONS. UNLIMITED POSSIBILITIES

The UT CONNECT Network. It provides access to physicians, caregivers, outpatient facilities and hospitals in the network in North Texas, as well as urgent care centers throughout the United States.

When you're in North Texas, there's no coverage for out-of-network care, except for true emergencies and other special situations.
