LETTER FROM THE OFFICE OF EMPLOYEE BENEFITS

Dear UT Benefits Medical Plan participants,

For more than two years, the COVID-19 pandemic has directly and indirectly affected virtually all aspects of daily life and created unprecedented challenges in healthcare and many other industries. Your medical plan has also faced significant challenges during the pandemic as utilization patterns have fluctuated and overall costs have risen sharply. Given that, the **UT SELECT™** and **UT CONNECT** medical plans need adjustments to premium rates and member cost sharing (the amount a member pays when seeking medical services).

PLAN IMPACT

The need to make changes in the 2022-2023 medical plans is due to several significant factors, including:

- Based on plan experience, premium rate increases were indicated for the past two plan years but were postponed following consultation with UT institutions. This decision was made largely to help individuals coping with the challenges of the pandemic.
- There has been a significant increase in utilization of the plan and the number of claims, including claims resulting from the treatment of COVID-19.
- Delayed care due to COVID-19 has resulted in later diagnosis of some conditions, resulting in advanced stages of diseases that are more costly to treat.
- As with many other goods and services, the cost of medical care has increased.
- The cost of prescription medications continues to rise.
- Reduction in plan investment return due to market volatility.

Because the plan is self-funded and relies on monthly premiums to pay the cost of all claims, there will be a premium rate increase and plan design changes for both **UT SELECT™** Medical and for **UT CONNECT** (offered in the DFW-area only) for the 2022-2023 plan year. This is only the second rate increase in six years, having had no change to premium rates for the 2018, 2019, 2021, and 2022 plan years.

As a reminder, with premium sharing from the state and your institution, full-time benefits-eligible employees pay no monthly premium for the **UT SELECT™** or **UT CONNECT** medical plan. Part-time benefits-eligible employees receive

50% premium sharing that covers 50% of the medical plan monthly premium. While approximately 58% of participants have “employee-only” coverage at no cost to themselves, institutions will pay additional premium sharing costs for this coverage. Both the institution and plan members who cover their family members on the plan will see an increase in premium. The UT institutions fund more than 85% of the cost of the **UT SELECT™** and **UT CONNECT** medical plans through their contribution to your health plan premiums. This in turn, assists UT Benefits in funding the \$1.4 billion program on behalf of our employees and their families.

The complete details about new premium rates can be found on page 7 of this newsletter listed under Out-of-Pocket Premiums for 2022-2023.

HOW DOES THIS IMPACT MY BENEFITS?

To help account for the deferred premium increases over the past two years without relying solely on a direct increase to monthly premiums and to respond to the significant increases in the cost of care for all members, there will also be some plan design changes for 2022-2023. These are the first significant plan design changes since 2016, aside from plan design enhancements including new plan tools and resources. These changes are designed to secure and protect the long-term financial viability of the **UT SELECT™** and **UT CONNECT** Medical plans.

Please review the table on page 8 carefully to learn about the **UT SELECT™** and **UT CONNECT** plan design changes effective September 1, 2022.

Sincerely,

IMPORTANT: AVAILABILITY OF SUMMARY HEALTH INFORMATION

Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options. The Uniform Summary of Benefits and Coverage (SBC) provision of the Affordable Care Act requires all insurers and group health plans to provide consumers with an SBC to describe key plan features in a mandated format, including limitations and exclusions. The provision also requires that consumers have access to a uniform glossary of terms commonly used in health care coverage.

To review an SBC for your medical plan, visit the website utbenefits.link/SBC. You can view the glossary at utbenefits.link/CMSGlossary. To request a copy of these documents free of charge, you may call the SBC hotline at 855-756-4448.

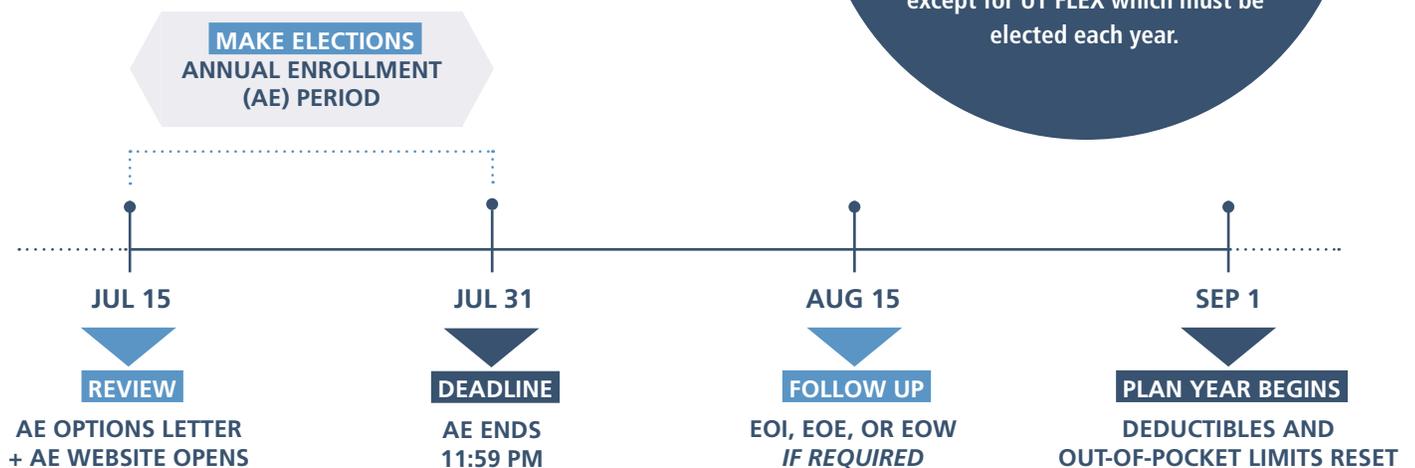

UT Benefits for one. Health for UT System.

IMPORTANT

Carefully review this guide for information about insurance plan premium rates, plan changes, and other Annual Enrollment details.

If you don't want to make any changes, you don't have to do anything to continue with your current plan selections, except for UT FLEX which must be elected each year.

UT SELECT Medical Plan Overview for 2022-2023

REVIEW

For plan year 2022-2023, there are several plan design changes to the UT SELECT™ Medical plan, including the introduction of an exciting benefit for those members interested in a family building benefit. Aside from the addition of new benefits tools and enhancements, these types of changes have not been made since the 2015-2016 plan year. While these changes are due in part to the reasons outlined previously in this newsletter (see page 3), they are being implemented at this time to help balance out cost share between the member and the plan. The changes are primarily a result of significantly increased utilization and increases in the cost of patient care and treatment.

Even with the changes below, it's important to recognize that the UT SELECT™ Medical plan continues to maintain a Gold Level plan rating according to the Affordable Care Act. This rating is significant as it validates the plan provides a high level of coverage and meets standards where the overall insurance plan pays 80% or more of costs.

The table below illustrates which benefits are changing (**in bold**) and includes the prior benefit in parentheses for reference.

2022-2023 UT SELECT PLAN DESIGN CHANGES THE UT SELECT MEDICAL PLAN

NEW! FERTILITY BENEFIT	2 Smart Cycles Covered Lifetime

NEW Fertility Benefit for UT SELECT Medical

REVIEW

New this year, we are excited to offer a fertility and family building benefit for **UT SELECT™** members through Progyny, a leading fertility benefits solution. The Progyny benefit offers inclusive and comprehensive treatment coverage leveraging the latest technologies and treatments, access to high-quality care through a premier network of fertility specialists, and personalized emotional support and guidance from dedicated Patient Care Advocates (PCAs).

Progyny's mission is to make dreams of parenthood come true through a healthy, timely, and supported family building journey. The benefit is designed to support all paths to parenthood, removing barriers to care so you and your doctor can create the customized treatment plan that is right for you. The program bundles all the individual services, tests, and treatments you may need into a Progyny Smart Cycle. That means you won't run out of coverage mid treatment cycle, and you can focus on the most effective treatment plan for you.

Effective September 1, 2022, eligible **UT SELECT™** members will have access to the following:

- (2) Smart Cycles; flexible coverage to pursue your unique path to parenthood
- Progyny Rx (integrated fertility medication coverage)
- Fertility Preservation (egg and sperm freezing coverage)
- Donor Tissue Purchase (egg and sperm coverage)

To access the Progyny benefit, the person(s) receiving fertility treatment must have been continuously enrolled for 12 months in an employee health plan offered through The University of Texas System. Enrollment in the Student Health Plan does not count towards the 12 months of continuous coverage. Your coverage will be subject to copays. To learn more and activate your benefit, you can reach out to your dedicated PCA at **844-535-0711**.

Refresher: UT Health Network

The UT Health Network is an enhanced tier plan design for **UT SELECT™** participants. **UT SELECT™** participants receive their highest level of benefits when services are delivered by a UT Health network physician participating at a UT-owned or partner facility.

In cases where a UT physician provides care at non-UT owned or partner facility, members can still save on physician costs. UT Health Network benefits are also available at the participating medical institution employee and nursing clinics.

Participating UT Medical institutions include::

- UT Austin Dell Medical School
- UT Tyler (Health Science Center)
- UT Medical Branch Galveston
- UT Health Houston
- UT Rio Grande Valley
- UT Health San Antonio*

**University Hospital System in San Antonio is a UT Health Network provider for all UT SELECT™ members. As a UT Health Network provider, University Hospital System offers a lower member cost share for inpatient hospital stays and hospital-based services.*

For more information about the UT Health Network, please visit our website at utbenefits.link/UTHealthNetwork.

To locate a UT Health Network provider, log into Blue Access for Members and review the **UT SELECT™** Provider Finder.

A HEALTH ADVOCATE CAN HELP GUIDE YOU THROUGH THE HEALTH CARE PROCESS

We know the key to helping members partner with their health plan is to ensure awareness and access. A BCBSTX Health Advocate helps **UT SELECT™** participants by:

- Connecting members to providers;
- Sorting out complex cases for members;
- Helping employees and retirees understand their health benefits;
- Helping participants shop for quality, lower-cost health care; and
- HAS representatives are available 24/7 to provide expert level customer service and assistance.

Health Advocates are ready to help. Just call a health advocate at **866-882-2034** or download the BCBSTX app to chat live with a health advocate today. They be able to assist you in coordinating your care through the offered programs.

**Health advocates do not replace the care of a doctor and you should talk to your doctor about any medical questions or concerns.*

VIRTUAL VISITS POWERED BY MDLIVE®

Getting sick after hours or on weekends used to mean a lengthy, costly trip to the emergency room or urgent care center. Your medical provider, including UT Health providers, may offer telehealth consultations by phone or video. If they don't, MDLIVE®, offers 24/7/365 access to virtual visits for your primary care and behavioral health needs. You don't have to leave the comfort of your own home to talk to a doctor, and best of all, your virtual visit with MDLIVE® has a \$0 copay!

With virtual visits, you get:

- 24/7 access to independently contracted, board-certified doctors;
- Access via online video, mobile app or telephone; and
- E-prescriptions sent to your local pharmacy, when appropriate.

Virtual visit doctors can treat a variety of health conditions, including:

- Allergies,
- Asthma,
- Behavioral Health,
- Colds and flu,
- Ear problems (age 12+),
- Fever (age 3+),
- Nausea,
- Pink eye,
- Rash, and
- Sinus infections.

Download the MDLIVE® app now and register. It's simple and you just need your first name, date of birth, and BCBSTX member ID number (found on your ID card). For more information about MDLIVE®, contact a health advocate at **866-882-2034** or visit MDLIVE.com/bcbstx for more information.

**In the event of an emergency, this service should not take place of an emergency room or urgent care facility. Proper diagnosis should come from your doctor and medical advice is between you and your doctor.*

MDLIVE®, an independent company, operates and administers the virtual visits program and is solely responsible for its operations and that of its contracted providers.

OMADA®: A DIGITAL SUPPORT PROGRAM

Omada is a breakthrough digital program that surrounds you with the tools and support you need to build healthy habits that stick. If you have, or are at risk for, certain chronic health conditions such as diabetes, you may be eligible for this new program. With Omada, you get:

- An interactive program that adapts to you;
- An Omada health coach to help keep you on track;
- A wireless smart scale to monitor your progress;
- A small online peer group for real-time support;
- And more!

Omada's approach combines proven science with rich data to help you make the changes that matter most — whether it's eating, activity, sleep or stress. Our published results show the average participant loses about 10 pounds along the way.

If you or your adult family members are enrolled in the **UT SELECT™** Blue Cross and Blue Shield of Texas health plan and are at risk for Type 2 diabetes or heart disease, the Omada program is included in your benefits package.

Contact a health advocate at **866-882-2034** for more information.

REVIEW

SEASONS OF LIFESM

Seasons of Life is a proactive outreach program offered through your **UT SELECTTM** and **UT CONNECT** benefits and Blue Cross and Blue Shield of Texas (BCBSTX) that provides personalized claims resolution assistance to you and your dependents who may be dealing with the death of a loved one.

When BCBSTX learns of a death, a specially trained customer advocate will send a handwritten sympathy card. This advocate will become your single point of contact for the duration of the program. You and/or your family can then contact the customer advocate at a time that is convenient for you to discuss any insurance-related matters.

BCBSTX will conduct a full review of the deceased's reimbursement history, claims status and customer service history before contacting you and/or your family, so the customer advocate can anticipate needs and ensure that compassionate help is available when it's needed most.

While the Seasons of Life program is launched proactively based on information provided to BCBSTX, please know that you and/or your dependents can contact a health advocate for assistance if needed. Simply call **866-882-2034**.

Prescription Plan

Your prescription drug benefits are included as part of your medical coverage. The **UT SELECT™** Prescription Plan is administered by Express Scripts and the same benefits are provided for both **UT SELECT™** Medical and **UT CONNECT** plan participants.

There are two plan design changes for the prescription drug program for the upcoming plan year.

1. Annual deductible increased to \$200 (from \$100)
2. Non-preferred drug copay increased to \$60 (from \$50)

We want to remind members there are a number of ways to help you maximize your prescription benefit and save you money. These options include filling 90-day maintenance medications via home delivery and at certain retail locations and substituting generic medications when available.

REMINDER: MORE OPTIONS AVAILABLE FOR FILLING YOUR 90-DAY MAINTENANCE MEDICATIONS

As part of your **UT SELECT™** and **UT CONNECT** prescription benefit, you have access to a more convenient and money- saving feature for your maintenance medications (those drugs you take regularly for ongoing conditions). Through your plan, you could pay less when you fill a 90-day supply of your maintenance medications at a participating pharmacy (Express Scripts home delivery, Walgreens, and the University of Texas pharmacies) than you would pay for three 30-day supplies at a non-preferred retail pharmacy.

There are Two Ways to Save on Your Maintenance Prescriptions

1. For savings and convenience, take advantage of home delivery from the Express Scripts Pharmacy. Get 90-day supplies of your medications delivered direct to you, safely and securely, with free standard shipping.
Log in at [express-scripts.com/ut](https://www.express-scripts.com/ut) or call the number listed on the back of your member ID card to learn how to get started with home delivery. Express Scripts can contact your doctor to have a new 90-day prescription sent right to you.
2. Or, you can fill your maintenance prescriptions at a nearby Walgreens or UT pharmacy. The pharmacist will contact your doctor to get a new 90-day prescription or will transfer your current 90-day prescriptions.

Your copayment for your 90-day supply will be the same whether you fill your prescriptions through Express Scripts home delivery or at a participating Walgreens or UT pharmacy.

If you have questions about the 90-day maintenance medication benefit or want assistance to help you get started, call Express Scripts at **(800) 818-0155** 24 hours a day, 7 days a week.

YOUR PRESCRIPTION BENEFIT: UPDATE ON MEDICATION COVERAGE REVIEW

The **UT SELECT™** prescription drug program utilizes Express Scripts' coverage management programs to help ensure you receive the prescription drugs you need at a reasonable cost. The three primary management programs are: prior authorization, step therapy and quantity duration guidelines. Each program is administered by Express Scripts to determine whether your use of certain medications is appropriate for both clinical and cost considerations.

PRIOR AUTHORIZATION | Just as some healthcare plans approve some medical procedures before they're done to ensure those procedures are needed, some drugs need a "prior authorization" to make sure they are right for you and are covered by your pharmacy benefit. Prior authorization is a program that lets you get the effective medication that you and your family need and helps your plan sponsor maintain affordable prescription-drug coverage for everyone your plan covers. When your pharmacist tells you that your prescription needs a prior authorization, Express Scripts needs more information to know if your plan covers the drug. Only your physician can provide this information and request a prior authorization.

STEP THERAPY | Step therapy is a program that lets you get the safe and effective treatment you and your family need. It also helps your plan sponsor maintain affordable prescription drug coverage for everyone your plan covers.

In step therapy, medications are grouped in categories based on treatment and cost. First-line medications are the first step and are typically generic and lower-cost brand-name medications approved by the U.S. Food & Drug Administration (FDA). They are proven to be safe and effective, as well as affordable.

Second-line drugs typically are brand-name drugs. They are best suited for the few patients who don't respond to first-line medications. Second-line drugs are the most expensive options.

DRUG QUANTITY MANAGEMENT | Drug quantity management (DQM) is a program that makes sure that patients are using medications at doses that have been proven effective. It provides the medication you need for good health, while making sure you receive it in the amount – or quantity – considered safe.

To determine if a medication you have been prescribed has a prior authorization, step-therapy, or drug quantity limit, visit the UT specific Express Scripts website at www.express-scripts.com/utselect and use the "price a medication" feature to see if you have a prescription that will require coverage review. If coverage review is required, you or your doctor can initiate the review by calling Express Scripts at (800) 753-2851.

REMINDER: MID-YEAR FORMULARY CHANGES | While mid-year formulary changes don't occur frequently, it is possible that a medication can change co-pay tiers during the plan year. For more information on what your cost will be please use the member website at www.express-scripts.com where you can run drug coverage checks to see your cost.

UT CONNECT Medical Plan Enhancements (DFW Only)

The **UT CONNECT** Accountable Care Organization (ACO) is a comprehensive UT Benefits medical plan offering in the Dallas / Fort Worth (DFW) area. The plan is available for Employees and certain Retirees living in the designated service area. This plan is separate from **UT SELECT™** Medical and can be elected during Annual Enrollment. Through the **UT CONNECT** ACO, participants will have access to excellent care managed through a designated primary care provider and receive all of their medical services from a top-quality network of Southwestern Health Resources providers and facilities.

ENHANCED CUSTOMER SERVICE

UT CONNECT's customer service platform can help make navigating healthcare simpler. It's called the **CONNECT** Team and they are available to Employees and Retirees that enroll in the plan – providing personalized support to find doctors, schedule appointments with physicians, answer questions about benefits, and help find ways to save even more on out-of-pocket expenses for care. This service offers a single phone number to reach **CONNECT** navigators.

VIRTUAL VISITS POWERED BY MDLIVE®

Getting sick after hours or on weekends used to mean a lengthy, costly trip to the emergency room or urgent care center. Your medical provider may offer telehealth consultations by phone or video. If they don't, **MDLIVE®** offers 24/7/365 access to virtual visits for your primary care and behavioral health needs. You don't have to leave the comfort of your own home to talk to a doctor and, best of all, your virtual visit with **MDLIVE®** has a \$0 copay!

Virtual visits allow you to consult a doctor for non-emergency health conditions by phone, mobile app or online video — anytime, anywhere. Speak to a doctor or schedule an appointment at a time that works best for you. With virtual visits, you get:

- 24/7 access to independently contracted, board-certified doctors;
- Access via online video, mobile app or telephone; and
- E-prescriptions sent to your local pharmacy, when appropriate.

Through virtual visits doctors can treat a variety of health conditions, including: allergies, asthma, behavioral health, colds & flu, ear problems (age 12+), fever (age 3+), nausea, pink eye, rash, and sinus infections.

Registering is simple and easy. You just need your first name, date of birth, and **BCBSTX** member ID number, found on your ID card. For more information about **MDLIVE®**, contact the **CONNECT** Team, or you can call **MDLIVE®** directly at **888-680-8646**. Visit [MDLIVE.com/bcbstx](https://www.mdlive.com/bcbstx) for more information.

**In the event of an emergency, this service should not take place of an emergency room or urgent care facility. Proper diagnosis should come from your doctor and medical advice is between you and your doctor.*

MDLIVE®, an independent company, operates and administers the virtual visits program and is solely responsible for its operations and that of its contracted providers.

ELIGIBILITY

The **UT CONNECT** ACO focuses on achieving better health outcomes through closely managed medical care. Benefits are offered only for care obtained through a specific network of providers and facilities in the DFW area. Eligibility for the plan is limited to **benefits-eligible Employees** and **non-Medicare eligible Retirees** who live within the DFW service area. Retirees living in the area who are Medicare-eligible or who cover Medicare-eligible family members are not eligible to enroll in the **UT CONNECT** ACO, but continue to be eligible for the **UT SELECT™** Medical plan.

IMPORTANT NOTE: New enrollees wishing to enroll in the **UT CONNECT** ACO plan must make an election during Annual Enrollment. If you are currently enrolled in the **UT CONNECT** ACO plan, you will continue in that plan unless you actively change to the **UT SELECT™** Medical plan.

QUALITY PROVIDER NETWORK

By enrolling in the **UT CONNECT** ACO plan (administered by Blue Cross Blue Shield of Texas), you can be assured that you and your dependents will have access to carefully managed health care through a dedicated network of outstanding Southwestern Health Resources (SWHR) providers and facilities. To ensure a broad selection of providers in the North Texas area, **UT CONNECT** participants will have access to more than 10,000 doctors and caregivers in the network. If you currently receive services from a SWHR affiliated physician, they will be in the **UT CONNECT** provider network. You can locate a network primary care provider online or by contacting the **UT CONNECT** Team at **888-399-8889**.

BENEFITS CHANGES

- There are now 18 Texas Health Resources (THR) Urgent Care Facilities in DFW. The THR Urgent Care copay is \$40 vs. \$50 for all other non-THR urgent care facilities;
- New! The Primary Care Physician (PCP) copay will continue to be \$5 (first visit is still \$0). However, the Specialist copay is increasing to \$50 (from \$35).
- There is also a change to the Affordable Care Act out-of-pocket limit. This new limit (combining medical and prescription drug costs) is increasing to \$8,700 (from \$8,550) per individual and to \$17,400 (from \$17,100) per family. These limits on total out-of-pocket expenses provide an extra level of financial protection for you and your family.

UT CONNECT (DFW Only), *continued*

REVIEW

UPDATE: TELEMEDICINE

Your **UT CONNECT** providers may also offer telemedicine in addition to what MDLIVE® provides. This will remain a plan benefit with the applicable PCP or Specialist copay.

IMPORTANT NOTE: When enrolling in the **UT CONNECT** ACO plan, participants must designate a primary care provider (PCP) from the list of SWHR and affiliated community physicians. All care is coordinated through the PCP so participants must have one on file to receive benefits.

SELECTING YOUR PCP

Returning **UT CONNECT** subscribers can verify or change their PCP election online at www.bcbstx.com/utconnect

New **UT CONNECT** subscribers can visit the BCBSTX **UT CONNECT** Provider Finder. You may also call **888-399-8889**, Monday through Friday, 8am – 5pm, for assistance or questions.

OUT-OF-POCKET PREMIUM SAVINGS

Just as with the **UT SELECT™** Medical plan, full-time Employee-only and Retiree-only coverage is available at no cost to the primary subscriber. Out-of-pocket premium rates for full-time employee and retiree Subscriber/Spouse, Subscriber/Children, and Subscriber/Family levels of coverage are lower than those for the **UT SELECT™** Medical plan. Check the complete UT Benefits premium rate chart to see the savings you can enjoy based on your level of coverage.

ENHANCED PLAN DESIGN

When visiting **UT CONNECT** ACO network providers, benefits under the **UT CONNECT** plan are similar to those on the **UT SELECT™** Medical plan. However, there are a few important differences between the two plans outlined below, and you can go online to take a deeper look at the **UT CONNECT** plan at www.ut-connect.com.

IMPORTANT NOTE: Due to the managed care model of the **UT CONNECT** ACO plan, there are no benefits for out-of-network or out-of-area services except for urgent care and medical emergencies.

The **UT CONNECT** ACO plan will continue to utilize the prescription drug plan (administered by Express Scripts) that matches the **UT SELECT™** prescription benefit. The **UT CONNECT** ACO plan includes Basic Life Insurance for employees and retirees, plus Accidental Death and Dismemberment Insurance for employees.

Dental Benefits

REVIEW

DENTAL PLAN OPTIONS

UT System offers three dental plan options: two self-funded PPO plan options (**UT SELECT Dental** and **UT SELECT Dental Plus**) and a fully insured dental HMO option (DeltaCare USA), all administered by Delta Dental Insurance Company. There are no benefit changes on any of the plans, and the rates all remain the same.

UT SELECT DENTAL PPO PLAN OPTIONS

PPO dental plans allow you to see any dentist, although your benefits go further if you choose a network dentist. While both PPO plans cover most of the same types of services and provisions, the premiums are different and the benefits are more enhanced in the **UT SELECT Dental Plus** plan. Compare the benefits closely to select the plan that best meets your or your family's needs.

PLAN DESIGN FEATURES	UT SELECT DENTAL PPO	UT SELECT DENTAL PLUS PPO
DEDUCTIBLE	\$25 deductible	Plan pays deductible
ANNUAL BENEFIT ALLOWANCE	\$1,250 annual benefit maximum	\$3,000 annual benefit maximum
ORTHODONTICS	Separate \$1,250 lifetime orthodontic maximum	Separate \$3,000 lifetime orthodontic benefit maximum
NETWORK OPTIONS	Freedom to choose any licensed dentist. For maximum savings, choose from the Dental Preferred Organization (DPO). If you choose a provider outside of the DPO network, you may be subject to balance billing. Contact Delta Dental customer service to confirm the status of your dental provider. DENTAL HMO – DELTACARE USA

The DeltaCare USA Dental Health Maintenance Organization (DHMO) plans require you to choose one dentist or dental facility to coordinate all your oral health needs. If you need to see a specialist, your primary care dentist will refer you; specialty care requires preauthorization. When you receive a dental service, you pay a fixed dollar amount for the treatment (a "copayment"). Diagnostic and preventive services have a low copayment or even no copayment. However, generally if you visit a dentist outside of the network, you may be responsible for the entire bill.

Limitations & exclusions apply. Contact Delta Dental for specific details about benefits and coverage at **800-893-3582**.

DELTACARE USA PLAN DESIGN FEATURES

- Set copayments.
- No annual deductibles and no maximums for covered benefits.
- Low out-of-pocket costs for many diagnostic and preventive services (such as professional cleanings and regular dental exams).
- Upon enrollment into the DeltaCare USA plan, you must select a primary dentist. You may call Delta Dental at **800-893-3582** to find out if your current dentist is in the DeltaCare network. Do not make any appointments until you are certain that DeltaCare has confirmed a dentist for you and/or for each of your covered dependents.
- If you visit a dentist other than the one listed as your primary dental provider, your services may not be covered.

Vision Benefits

VISION PLAN OPTIONS

There are no changes to the vision plan design this year. We are also pleased to announce there will be a **decrease** in monthly premiums for both the Basic and Plus plans. You and your eligible dependents have the option to enroll in the basic plan or the Plus plan (offering enhanced benefits), both administered by Superior Vision. While both plans cover most of the same types of services, the Plus plan includes some additional benefit at a slightly higher premium. Compare the benefits closely to select the plan that best meets your or your family’s particular needs. See below for some examples.

PLAN DESIGN FEATURES	SUPERIOR VISION PLAN	SUPERIOR VISION PLUS PLAN
ANNUAL EXAM COPAYMENT	\$35 COPAY	\$35 COPAY

Blue Cross Blue Shield of Texas (BCBSTX) Ancillary Group Term Life and AD&D Insurance

WHY YOU SHOULD CONSIDER LIFE INSURANCE THIS ANNUAL ENROLLMENT

Although we don't like to talk about it, the fact is that most people need life insurance to financially protect their family in case of premature death. If you were to pass away unexpectedly, would you want your family's financial standard of living to be better, worse or the same as it is today?

As a result of the pandemic, Americans' intent to purchase life insurance is at an all-time high. Thirty-one percent of consumers plan to purchase new life insurance as a result of the COVID pandemic.¹ Twenty-two percent of insured Americans (29 million) believe they need more life insurance. For those without life insurance, 59% say they need it, which represents 73 million Americans.²

Because of the heightened demand for life insurance, we are providing you with the opportunity to increase your coverage. Effective September 1, 2022, the Basic Life and Accidental Death & Dismemberment (AD&D) benefits from Blue Cross and Blue Shield of Texas (BCBSTX), which the System provides for active employees, are increasing to \$50,000 from the current \$40,000 amount.

We are also offering a special one-time open enrollment for the Voluntary Life plan this July with no medical questions for employees electing up to 3 times their annual earnings. Employees electing new coverage amounts of more than 3 times their annual earnings will be required to complete satisfactory Evidence of Insurability (EOI). We were able to accomplish this while reducing the rates for all ages. For example, a 40-year-old employee earning \$35,000 a year will see their Voluntary Life payroll deduction decrease from \$2.21 to \$2.07 per month for each increment of salary.

Don't forget, included with the Basic Life coverage, at no additional cost, are Beneficiary Resource Services^{TM3} and Travel Resource Services^{TM4}. Beneficiary Resource Services provides support to insureds and their families, including online will preparation, online funeral planning, and in-person counseling sessions. Travel Resource Services offers around-the-clock emergency and information services that can help you access emergency assistance when you are traveling 100 or more miles away from home.

New! If you are unsure of how much life insurance is right for you, use the Life Insurance Needs calculator to get a recommendation from an independent source.

Remember, BCBSTX is offering active employees a **GUARANTEED ENROLLMENT OPPORTUNITY** for Voluntary Life during the July 2022 Annual Enrollment period. No EOI (medical questionnaire) form is required for active employees to enroll for Voluntary Life benefits of 1 times, 2 times, or 3 times their annual earnings.* If you enroll later, outside of a family status change event, you will be required to complete the medical questionnaire and may not be approved for coverage. Increases in coverage will become effective on September 1, 2022, for actively-at-work employees or on the first full day of active work for employees who are not actively-at-work on September 1, 2022.

To learn more about your BCBSTX life insurance coverage, please visit/contact www.bcbstx.com/ancillary-ut/.

*Approved EOI is required for retired employees to add or increase their Voluntary Life benefit.

BENEFICIARY DESIGNATIONS

The beneficiary designation often gets overlooked by participants in a group life insurance plan. Keep in mind that there is basic life insurance and AD&D included with enrollment in the **UT SELECT™** and **UT CONNECT** Medical plan. So, almost all our employees have at least that basic coverage and many have additional voluntary coverage.

While your current beneficiary information may be on file with our current carrier BCBS of Texas (formerly known as Dearborn National), you are encouraged to update it in the enhanced My UT Benefits platform for fast and easy online beneficiary management.

Online Beneficiary Management:

- Allows you to quickly designate and update beneficiary information anytime of the day or night;
- Helps avoid legal disputes and provides a safeguard for confidential information;
- Is offered to you at no charge; and
- Is secure and designed to protect privacy.

Beneficiaries can be changed as often as circumstances shift and your changes take effect immediately. Don't forget to update your beneficiary information when you experience important life events like marriage, divorce, or retirement. You'll have an online record of your life insurance designations,

BENEFICIARY DESIGNATIONS FOR RETIREMENT PLANS

Also, please keep in mind that there is a separate beneficiary designation necessary for employees who participate in TRS. For those who participate in any of the voluntary UT Retirement savings plans or in ORP, you should contact your approved provider(s) to ensure your beneficiary information for those accounts is up to date as well. You can find contact information for all approved providers on the UT Retirement website at utbenefits.link/retirementproviders

Blue Cross Blue Shield of Texas (BCBSTX) Ancillary Short-term and Long-term Disability

A person has a three in ten chance of suffering a disabling illness or injury that would keep them out of work for three months or more during their career. Disability insurance replaces a portion of your income if you suffer a prolonged illness or non-work-related injury that prevents you from doing your job. BCBSTX Ancillary (formerly known as Dearborn National) provides short-term disability (STD) and long-term disability (LTD) insurance benefits for active UT System employees. This benefit is not available for dependents and is not for you to take time to care for an ill or injured family member.

SHORT-TERM DISABILITY (STD)

The STD benefit is 60% of weekly earnings. The STD maximum benefit is \$850 per week and the elimination period is 7 days, or the exhaustion of yoursick leave (whichever is longer).

DISABILITY INSURANCE MONTHLY PREMIUM RATES	
Short-term Disability	\$0.30 per \$100 of monthly income
Long-term Disability	\$0.34 per \$100 of monthly income

LONG-TERM DISABILITY (LTD)

The LTD benefit is 60% of your monthly earnings. The LTD maximum benefit is \$15,000 per month after 90 days of disability or the exhaustion of your sick leave (whichever is longer). The maximum period payable depends on your age at the time of disability.

AGE AT DISABILITY	MAXIMUM PERIOD PAYABLE
Less than age 60	To age 65, but not less than 5 years
Age 60 through 64	5 years
Age 65 through 69	To age 70, but not less than 1 year
Age 70 and over	1 year

UT FLEX: Health & Dependent Day Care Accounts

Participating in the UT FLEX flexible spending account program is convenient, easy, and best of all, saves you money! Through your UT FLEX account, you can pay for eligible health care and dependent day care expenses using pre-tax dollars, which means you don't pay federal income or Social Security taxes on this money.

UT FLEX HEALTH CARE REIMBURSEMENT ACCOUNT (HCRA)

With a UT FLEX HCRA, you can set aside up to \$2,850 per year in pre-tax dollars to pay for eligible health care expenses, including these common expenses:

- Deductibles, copayments, and coinsurance;
- Prescription drugs, insulin, and syringes;
- Dental exams, x-rays, fillings, crowns, and orthodontia;
- Eye exams, prescription eyeglasses, and prescription sunglasses;
- Contact lenses and cleaning solutions; and
- Hearing aids.

You can find details about eligible HCRA expenses online at www.MyUTFLEX.com.

UT FLEX DEPENDENT DAY CARE REIMBURSEMENT ACCOUNT (DCRA)

You can set aside pre-tax dollars (up to \$5,000* *per family* per calendar year) to pay for eligible expenses for dependent day care that allows you (and, if married, your spouse) to work, look for work, or go to school full time. Eligible expenses for care of qualified dependents include costs for:

- Before / after school care;
- Preschool or nursery school (for pre-kindergarten aged dependents);
- Summer day camp; and,
- Adult day care.

You can find complete details about qualified dependents and eligible DCRA expenses online at www.MyUTFLEX.com.

IMPORTANT REMINDER

Don't forget – to participate in UT FLEX for 2022-2023, you *must* make your election through *My UT Benefits* online enrollment system during this year's Annual Enrollment period – even if you are a current UT FLEX participant.

*Your UTFLEX Annual Election may be rounded down by several cents to avoid overcontribution.

UT FLEX, continued

REVIEW

NO ADMINISTRATIVE FEES FOR PARTICIPATION OR DEBIT CARD

There are no administrative fees for participation in the UT FLEX program. The UT FLEX Debit Card will continue to be free for HCRA participants as well. There is no UT FLEX Debit Card for the DCRA.

Using the UT FLEX Debit Card gives you several advantages, including:

- Improving your cash flow throughout the plan year by allowing you to directly access your account for eligible expenses rather than paying out of pocket and filing for reimbursement. You have direct access to your entire HCRA annual election amount beginning on the first day of the plan year (9/1/2022);
- Eliminating the need for you to complete claim forms or any other paperwork for most expenses;* and,
- Ensuring that eligible purchases are automatically deducted from your available UT FLEX HCRA balance so you always know how much you have remaining in your account.

**Save all your receipts, especially those for dental and vision services which will likely require documentation to prove the service was medically necessary.*

Important: If you currently have a UT FLEX Debit Card, do NOT discard it. As long as you make a UT FLEX HCRA election for 2022-2023, your Debit Card will continue to work. Expiring cards will be replaced as necessary, similar to most credit and debit cards.

NOTE FOR 2020-2021 PLAN YEAR UT FLEX PARTICIPANTS

With the IRS Guidance due to COVID-19, the deadline to file claims for 2020-2021 UT FLEX participants is August 31, 2022 for both the DCRA and HCRA plans (extended from November 30, 2021). However, the deadlines and maximum elections returned to normal for the plan years going forward. Please review the chart below for clarification.

NEED HELP DETERMINING HOW MUCH TO ELECT?

Use the savings calculator online at www.MyUTFLEX.com to help you estimate your eligible expenses by itemizing your unreimbursed health and dependent day care costs. To use the calculator, you will be asked to enter your annual estimated costs in each category. Once complete, you'll have an estimate for an annual election, and you can also see your estimated tax savings!

PHYSICIAN EXERCISE REFERRAL

Individuals with medical conditions that can be improved by physical activity (such as diabetes, hypertension, depression, and more) are able to receive reimbursement from their healthcare flexible spending account to pay for some exercise expenses. A Letter of Medical Necessity is needed from the physician advising the exercise. Details can be found online.

If you need more information about the UT FLEX accounts before you make your annual election, contact Maestro Health customer service. Maestro Health is the administrator for the UT FLEX programs: www.MyUTFLEX.com, (844) UTS-FLEX (844-887-3539), questions@maestrohealth.com.

ARE YOU READY TO START SAVING?

The University of Texas has partnered with *Retirement Manager* to give you the tools you need to start building toward a secure financial future. *Retirement Manager* is a secure website that enables you to review your retirement savings and help you project how much you may need to save for retirement.

Retirement Manager is available 24 hours a day, 7 days a week.

You can use it to:

- Enroll in and make changes to your Retirement Programs at any time, all year round.
- View a summary of your Retirement Program balances.

If you have registered with UTRM before, you can log in directly using your existing credentials or you can log in through My UT Benefits via Single Sign On. If you have never registered with UTRM before, then you will need to establish a security profile before you can enroll or use the new Single Sign On option through My UT Benefits. The resources listed below should be helpful if you have any questions about getting started.

To learn more about your Retirement Plan options, please visit www.utretirement.utsystem.edu. Take advantage of these great opportunities and enroll today.

TRS MEMBER CONTRIBUTION CHANGES

The 2019 Texas Legislature approved contribution rate changes for both TRS members and employers. The current rate for employees will remain at 8% for FY 2022 but will increase to its final amount of 8.25% for FY 2023.

FY	MEMBER RATE	EMPLOYER RATE
9/1/2021	8.0%	7.75%
9/1/2022	8.0%	8.0%
9/1/2023	8.25%	8.25%
9/1/2024	8.25%	8.25%

MEET YOUR APPROVED PROVIDERS

The UT Retirement Program partner with our providers to ensure you have the resources you need. There are dozens of financial representatives in your area who will be glad to sit down with you and help you determine your best course of action.

After making your annual enrollment elections, make sure to go back and click on the link to the UT System Retirement Programs website at www.utretirement.utsystem.edu to learn more about the TSA or DCP plans, or to read about the services each provider makes available to you at no cost. You can even schedule an appointment with a financial advisor at your convenience. Take the opportunity to ensure that your financial health is just as robust as your physical health!

Living Well Make It a Priority

REVIEW

The UT System Living Well program provides a variety of resources to enable employees, retirees, and dependents who participate in the **UT SELECT™** Medical plan to take charge of their health and develop their own personal wellness program. Our mission is to improve the health and well-being of Texans through achieving optimal levels of health for University of Texas System employees, retirees and dependents at all institutions.

NEW! UT LIVING WELL PLATFORM POWERED BY LIMEADE

Our new well-being and engagement program designed to help you live your best life. Achieve your physical, emotional, financial, and work well-being goals with personalized activities. When you participate in activities, you'll earn points toward recognition all while achieving your best self.

How it works:

- Visit ut.limeade.com
- At the bottom of the form click on the "Continue with Employee & UT Austin Retiree Login" button
- Follow the remaining prompts to register
- Complete your Well-Being Assessment (optional) to learn about your strengths and areas of improvement to personalize your program experience
- Join activities that interest you and help you reach your goals

Once you've registered at ut.limeade.com, download the **UT Living Well app powered by Limeade ONE** (available for iOS or Android) and enter "UTX" or "University of Texas System" to get started.

The UT Living Well platform powered by Limeade is available to **UT SELECT™** and **UT CONNECT** members (employees, retirees, and dependents) ages 18+.

24/7 NURSELINE

Get answers to your health care questions, information about major medical issues, chronic illness support, and lifestyle change support. **Call toll-free: (866) 882-2034**, 24 hours a day, 7 days a week.

SPECIALIZED PHARMACISTS

If you take medications to treat high cholesterol, diabetes, or one of several other conditions, specialized pharmacists can answer your questions and offer improvements in the quality and affordability of your pharmacy care. **Learn more: (800) 818-0155**.

EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program (EAP) can help you resolve problems that affect your personal life or job performance.

REIMBURSEMENT FOR EXERCISE EXPENSES

Individuals with medical conditions that can be improved by physical activity are able to receive reimbursement from their healthcare flexible spending account to pay for some exercise programs or equipment. A Letter of Medical Necessity is required for all exercise referrals.

WELLNESS ACTIVITY CHALLENGE

Team up with your institution for the wellness activity challenge. You'll receive a weekly goal and can work with colleagues towards earning your institution the coveted traveling trophy.

WONDR HEALTH (FORMERLY NATURALLY SLIM)

Wondr Health is an online program that helps you lose weight and improve your overall health – all while eating the foods you love. With Wondr Health, you'll learn that you don't have to starve yourself or count calories to be healthy, lose weight, and keep it off forever.

TOBACCO CESSATION RESOURCES

The **UT SELECT™** Medical plan offers members a variety of tobacco cessation resources at no out-of-pocket cost. These resources include professional counseling and pharmaceutical therapy.

FITNESS DISCOUNT PROGRAM

UT SELECT™ and **UT CONNECT** offer a fitness program through BCBSTX. This program has discounts to several gyms and virtual classes (as of June 2020) throughout the state. For more information, log on to Blue Access for Members, and select the icon for the Fitness Program.

FINANCIAL WELLNESS

UT System provides many resources to help you learn about personal finances and how to plan for your retirement. We've partnered with five of the leading investment companies in the nation to provide representatives on your campuses to help you as you consider your future financial health.

CENTERED APP

The Centered app (for iPhone) by BCBSTX is designed to reduce stress by helping users add mindful activity to their daily routines. Through the app, you can set goals for mindful minutes, choose from a variety of guided activities and track how your mood is impacted by meditation and activity.

Dependent Eligibility and Documentation

ELIGIBILITY

Eligibility to participate in certain UT Benefits coverage as a dependent is determined by law. Eligible dependents are:

Your spouse; and

Your children under age 26 regardless of their marital status, including:

- biological children;
- stepchildren and adopted children;
- grandchildren you claim as dependents for federal tax purposes;
- children for whom you are named a legal guardian or who are the subject of a medical support order requiring such coverage; and
- certain children over age 26 who are determined by OEB to be medically incapacitated and are unable to provide their own support.

IF YOU CURRENTLY COVER A DEPENDENT

who is also receiving premium sharing for coverage through a plan with Texas A&M, The Employees Retirement System of Texas, or The Teacher Retirement System of Texas, please choose to have that person covered under only one plan and make the appropriate enrollment changes at this time.

Other Eligibility **SURVIVING DEPENDENTS | INCAPACITATED DEPENDENTS**

SURVIVING DEPENDENTS

A surviving spouse or other benefits-eligible dependent may continue limited participation in the UT Benefits program following the death of a participating employee or retired employee, provided the employee has at least five (5) years of creditable service with either Teacher Retirement System of Texas (TRS) or the Texas Optional Retirement Program (ORP), including at least three (3) years as a benefits-eligible employee with UT System. A surviving spouse may only continue UT Benefits Medical, Dental or Vision coverage they are enrolled in at the time of the employee's death. They may not add coverage at that time, and if the coverage is ever dropped or terminated for non-payment, it may not be reinstated. Surviving dependents are not eligible for Premium Sharing. Coverage may continue for the remainder of the surviving spouse's life. A dependent child may continue until the child loses his or her status as a dependent child. The dependent of an individual who has not met the service requirements at the time of death may elect COBRA coverage for a period not to exceed 36 months.

OVERAGE INCAPACITATED DEPENDENTS

Enrolled children may remain eligible for UT Benefits as an incapacitated dependent if they are determined to be medically incapacitated at the time they age out of eligibility for coverage as a child under the program at age 26. An older dependent child who is determined to be medically incapacitated at the time a subscriber first becomes benefits eligible may be enrolled in the plan if the child was covered by the subscriber's previous health plan with no break in coverage. Please contact your institution's Human Resources or Benefits Office for additional information about covering incapacitated dependent children.

IMPORTANT NOTICE

Misrepresentation of dependent eligibility constitutes a policy violation that could result in consequences ranging from a reprimand to dismissal. Misrepresentation may also require that you reimburse benefits paid on behalf of an ineligible individual. Deliberate misrepresentation may constitute criminal fraud and could result in a referral to law enforcement.

Important to Know...

BEFORE MAKING YOUR ELECTIONS, YOU MUST DECLARE OR UPDATE YOUR TOBACCO USER STATUS

The Tobacco Premium Program (TPP) is an out-of-pocket premium of \$30 per month. It applies to subscribers and dependents aged 16 and over who are enrolled in a Medical plan and use tobacco products. Before making election changes via *My UT Benefits*, you will be prompted to confirm tobacco user status for yourself and eligible dependents.

EVIDENCE OF INSURABILITY/EVIDENCE OF ELIGIBILITY

If you make a coverage election that requires you to submit an Evidence of Insurability (EOI) application or Evidence of Eligibility (EOE) for a dependent, you must follow through by providing this information by August 15, 2022. If you do not, your requested changes will not be implemented.

My UT Benefits provides links to complete EOE in the Document Manager.

If you need to complete EOI, the system will take you to a My Health Statement link which will open up a new window to complete EOI directly in the Blue Cross and Blue Shield EOI system.

BE AWARE THAT CHANGES MADE DURING AE WILL TAKE EFFECT ON SEPTEMBER 1

EXCEPTION: If EOI is required and has not been approved by September 1, changes will take effect on the approval date for Life Insurance or the first of the month following approval for Disability Insurance.

Evidence of Insurability DEADLINE FOR SUBMISSION IS AUGUST 15

During this year's Annual Enrollment (AE) period, Evidence of Insurability (EOI) is not required this year to enroll in 1X-3X salary for Employee Voluntary Group Term Life coverage. EOI will still be required to enroll in 4X-10X salary for Employee Voluntary Group Term Life coverage or Voluntary Spouse Life coverage, as well as enrollment into the Disability Plans..

LIFE AND DISABILITY EOI

The *My UT Benefits* online system will automatically direct you to complete EOI electronically if you enroll online for employee benefits in the amount of 4X-10X salary or in a Disability plan. If you have trouble logging in, using or uploading documents to the system, call My UT Benefits Support at 844-870-0044, available M-F, 8AM to 5PM CST. Otherwise, you may complete a paper form and submit it to the insurer. You can view and print the life and disability EOI forms online at utbenefits.link/EOIForm.

Important Notes:

- EOI is *not* required for enrollment in the **UT SELECT** or **UT CONNECT** Medical plans.
- The deadline for submitting electronic EOI is **August 15**.
- Paper EOI forms submitted via U.S. Mail must be postmarked by **August 15**.
- You can also request a form from your institution's HR or Benefits Office. Contact information for the UT HR/Benefits Offices is available at the end of this booklet.

Evidence of Eligibility DEADLINE FOR SUBMISSION IS AUGUST 15

DOCUMENTATION – EVIDENCE OF ELIGIBILITY

When requesting to add a dependent for the first time to your UT Benefits coverage, you must provide appropriate supporting documentation demonstrating Evidence of Eligibility (EOE). You should be prepared to provide copies of relevant documents. Depending on the relationship and circumstances, appropriate documentation may include items such as a marriage certificate, a birth certificate, completed adoption paperwork, or other legal documents.

The *My UT Benefits* online system offers the convenience of submitting documents electronically when adding NEW dependents to your benefits coverage during Annual Enrollment. To do this, you simply upload clear, legible digital images (scanned documents or photographs) of

required documents directly through *My UT Benefits* as evidence of your dependent's eligibility. Additional information will be available when you log into *My UT Benefits*, including FAQs about the documentation upload process. There is a separate tab for dependent information to help you more easily find details that you may need.

If you have trouble logging in, using or uploading documents to the system, call *My UT Benefits* Support at **844-870-0044**, available M-F, 8AM to 5PM CST.

Evidence of Waiver DEADLINE FOR SUBMISSION IS AUGUST 15

DOCUMENTATION – EVIDENCE OF WAIVER

When requesting to waive your Basic Coverage Package (which includes the **UT SELECT**TM medical plan coverage and the basic Term Life and ADD benefits) to apply the premium sharing to pay for other eligible coverage, you must submit appropriate documentation of other non-state group health plan coverage no later than August 15th to demonstrate valid Evidence of Waiver (EOW). You should be prepared to provide copies of relevant documents. Depending on the circumstances, appropriate documentation may include a letter from another employer's HR/Benefits office that displays information about their group medical insurance such as name of subscriber, effective date, names of dependents and their effective dates on the coverage, etc.

The *My UT Benefits* online system offers the convenience of submitting documents electronically during Annual Enrollment. To do this, you simply upload clear, digital images (scanned documents or photographs) of required documents directly through *My UT Benefits* as evidence of your EOW. Additional information will be available when you log into *My UT Benefits*, including FAQs about the documentation upload process.

If you have trouble logging in, using or uploading documents to the system, call *My UT Benefits* Support at **844-870-0044**, available M-F, 8AM to 5PM CST.

Changes During the Year

Outside of Annual Enrollment, you may not make changes to your benefits unless you have certain qualified change of status events including:

- marriage, divorce, annulment, or spouse's death;
- birth, adoption, medical child-support order, or dependent's death;
- significant change in residence if the change affects you or your dependents' current plan eligibility;
- change of job status affecting eligibility;
- change in dependent's eligibility (e.g., reaching age 26 – dependent children become ineligible for any coverage the month following their 26th birthday, or gaining or losing eligibility for any other reason); or
- significant change in coverage or cost of other benefit plans available to you and your family.

You may enroll in or make changes to benefits by contacting your institution's HR or Benefits office within 31 days of one of these change of status events.

An employee

- whose dependent loses insurance coverage under the Medicaid or CHIP program as a result of loss of eligibility of either the employee or the dependent; or
- whose dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP may enroll this dependent in the basic coverage under UT Benefits, as long as the dependent meets all other UT eligibility requirements and is enrolled within 60 days from the date of the applicable event. If enrollment of the dependent is conditioned on enrollment of the retired employee, the retired employee will also be eligible to enroll.

Nondiscrimination Notice

DISCRIMINATION IS AGAINST THE LAW

The University of Texas System Office of Employee Benefits complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. The UT System Office of Employee Benefits does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
