

The University of Texas System

Research Funding Report Required by Article III, Section 65, House Bill 1, 84th Legislature Fiscal Year 2016

Sec. 65. Research Funding Reporting Requirement. Each general academic institution and health related institution shall report, by December 1 of each year of the biennium, to the Legislative Budget Board and Governor, the following information:

(a) The amount of research funds awarded to the institution in the prior fiscal year, from appropriations made elsewhere in this Act, from the following, listed individually by source of funding: 1. Core Research Support; 2. Texas Research University Fund; 3. Comprehensive Research Fund; 4. Available National Research University Fund; 5. Texas Research Incentive Program; 6. Governor's University Research Initiative; and the 7. Cancer Prevention and Research Institute of Texas.

(b) For each individual award granted to an institution under programs listed in Subsection (a), the amount of funding, if any, provided to an institution from an external source as a matching award amount.

Institution	Appropriations							Matching Award		
	Core Research Support	Texas Research University Fund	Comprehensive Research Fund	Available National Research University Fund	Texas Research Incentive Program	Governor's University Research Initiative	Cancer Prevention and Research Institute of Texas	Texas Research Incentive Program (Donations)	Texas Research Incentive Program (UTRIP - funded by UT System) **	Cancer Prevention and Research Institute of Texas

** To supplement the Texas Research Incentive Program, U. T. System Board of Regents created the U. T. System Research Incentive Program (UTRIP), funded with Permanent University Fund bond proceeds, as an additional means to augment philanthropic gifts directed toward research U. T. System emerging research institutions.

Notes - Amounts reported for matching awards only include those funds provided to the institution from an external source. Certain institutions matched CPRIT with internal sources.
