

18-115 Review and Validation

We have completed our audit of review and validation. This audit was performed as required by the University of Texas System (UTS) Policy 142.1, Policy on the Annual Financial Report and was conducted in accordance with the *International Standards for the Professional Practice of Internal Auditing*.

BACKGROUND

UTS 142.1, Section 6 states, "The institutional Chief Audit Executive shall perform annual testing, within 60 days of the fiscal year end, of the Monitoring Plan and the subcertifications, and validate the assertions on segregation of duties and account reconciliations.

OBJECTIVES

The objectives of this audit were to determine whether:

- UTHealth followed its monitoring plan for segregation of duties and reconciliation of accounts;
- Account owners submitted subcertifications timely; and
- Assertions of segregation of duties and account reconciliations were valid.

SCOPE PERIOD

The scope period was fiscal year 2017.

METHODOLOGY

Auditing & Advisory Services executed an audit program provided by UT System Audit. The audit procedures included determining whether:

- the monitoring plan was executed,
- account reconciliations were performed,
- segregation of duties were established, and
- subcertification letters were submitted on a timely basis.

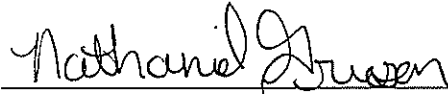

AUDIT RESULTS

Overall, we determined UTHealth is in compliance with its monitoring plan for segregation of duties and reconciliation of accounts, account owners submitted subcertification letters timely, and we obtained reasonable assurance assertions of segregation of duties and reconciliation of accounts were valid.

NUMBER OF PRIORITY & HIGH FINDINGS REPORTED TO UT SYSTEM

None

We would like to thank the staff and management who assisted us during our review.
