MEETING NO. 719

FRIDAY, FEBRUARY 1, 1974. --The Board of Regents of The University of Texas System convened in regular session at 9:00 a. m. on Friday, February 1, 1974, in the Main Building, Room 212, The University of Texas at Austin, Austin, Texas.

ATTENDANCE. --

Present

Chairman McNeese, Presiding
 Vice-Chairman Williams
 Regent Bauerle
 Regent Clark
 Regent Erwin
 Regent Garrett
 Regent (Mrs.) Johnson
 Regent Nelson
 Regent Shivers

Absent

Secretary Thedford

Chancellor LeMaistre
 Chancellor Emeritus Ransom
 Deputy Chancellor Walker

The meeting was called to order by Chairman McNeese.

APPROVAL OF MINUTES OF DECEMBER 7, 1973. --There being no corrections, changes or amendments, the Minutes of the meeting of the Board of Regents of The University of Texas System held in Austin on December 7, 1973, were approved in the form distributed by the Secretary and recorded in the Permanent Minutes, Volume XXI, beginning with Page 1114.

RECESS. --Chairman McNeese asked the Board to recess in order that the Committee of the Whole could convene in Executive Session to consider personnel matters pursuant to Section 2 (g), House Bill No. 3, 63rd Legislature, R. S. 1973, to wit:

1. Selection of Chief Administrative Officer for The University of Texas at Arlington
2. Selection of Chief Administrative Officer for the Galveston Medical Branch
3. Selection of Chief Administrative Officer for The University of Texas Health Science Center at Houston

RECONVENE. --Immediately following the Executive Session, the Board of Regents reconvened in the same room and with the same attendance.

2-01-74

U. T. ARLINGTON: SELECTION COMMITTEE REPORT AND APPOINTMENT OF DR. WENDELL H. NEDDERMAN PRESIDENT. --Chancellor LeMaistre reported that the Selection Committee for the Chief Administrative Officer at The University of Texas at Arlington (which committee was appointed by the Chairman of the Board of Regents) had recommended to the Chancellor that Dr. Wendell H. Nedderman, currently Acting President, be appointed to the presidency of U. T. Arlington. Chancellor LeMaistre then recommended to the Board of Regents that Dr. Wendell H. Nedderman be appointed President of The University of Texas at Arlington effective February 1, 1974.

Upon motion of Vice-Chairman Williams, seconded by Regent Garrett, this recommendation was adopted. Regent Nelson abstained from voting.

GALVESTON MEDICAL BRANCH: SELECTION COMMITTEE REPORT AND APPOINTMENT OF WILLIAM C. LEVIN, M. D., PRESIDENT-DESIGNATE EFFECTIVE FEBRUARY 1, 1974, AND PRESIDENT EFFECTIVE SEPTEMBER 1, 1974. --Chancellor LeMaistre reported that the Selection Committee for the Chief Administrative Officer at The University of Texas Medical Branch at Galveston (which committee was appointed by the Chairman of the Board of Regents) had recommended to the Chancellor and the Chancellor recommended to the Board of Regents the appointment of William C. Levin, M. D., President-Designate of The University of Texas Medical Branch at Galveston effective February 1, 1974, and President of The University of Texas Medical Branch at Galveston effective September 1, 1974.

This recommendation was adopted upon motion duly made and seconded.

HOUSTON HEALTH SCIENCE CENTER: RATIFICATION OF APPOINTMENT OF CHARLES A. BERRY, M. D., PRESIDENT. --In the Executive Session of the Committee of the Whole of the Board of Regents' meeting held on December 7, 1973, Chancellor LeMaistre took the opportunity to report that the Selection Committee for the Chief Administrative Officer of The University of Texas Health Science Center at Houston (appointed by the Chairman of the Board of Regents) had recommended that Charles A. Berry, M. D., be named President of The University of Texas Health Science Center at Houston. Dr. LeMaistre also recommended that Dr. Charles A. Berry be named to this position, and by unanimous vote he was so named. However, it was strictly understood that there would be no announcement made until Dr. Berry could clear all pending matters with NASA.

The recommendation of Chancellor LeMaistre to name Dr. Charles A. Berry to the Presidency of The University of Texas Health Science Center at Houston effective April 1, 1974, was ratified and in all things confirmed.

U. T. DALLAS: AGREEMENT WITH THE SOUTHWESTERN LEGAL FOUNDATION (NONPROFIT ORGANIZATION) FOR SPACE IN ENVIRONMENTAL SCIENCES BUILDING). --Upon motion of Regent Erwin, duly seconded, all the necessary rules were suspended so that the proposed contract (Item 14 on the agenda of the Committee of the Whole) between The Southwestern Legal Foundation and the Board of Regents of The University of Texas System on behalf of The University of Texas at Dallas could be taken up at this time.

Regent Erwin confirmed stories that had been appearing in Dallas newspapers that The Southwestern Legal Foundation (nonprofit organization)

2-01-74

was asked by Southern Methodist University to vacate the space the foundation had occupied since its establishment for reasons that do not concern the Board of Regents of The University of Texas System. He said that after this relationship had been terminated the foundation approached the University to see if any space was available. Space will be available in a building presently under construction (Environmental Sciences Building) on the campus of U. T. Dallas.

Chairman McNeese noted that The Southwestern Legal Foundation is a very prestigious foundation, and all members of the Board felt it would be advantageous to have this foundation on the U. T. Dallas campus.

Upon motion of Regent Erwin, seconded by Vice-Chairman Williams, the following proposed agreement was authorized between the Board of Regents of The University of Texas System on behalf of The University of Texas at Dallas and The Southwestern Legal Foundation whereby the foundation would occupy space in the Environmental Sciences Building presently under construction at U. T. Dallas. The Chairman of the Board of Regents was authorized to execute this agreement when it has been approved as to form by a University attorney and as to content by the Deputy Chancellor for Administration: (Pages 3 - 7)

AGREEMENT

THIS AGREEMENT is made and entered into on the date last herein written, between the BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM, acting for and on behalf of THE UNIVERSITY OF TEXAS AT DALLAS (the "University"), and THE SOUTHWESTERN LEGAL FOUNDATION (the "Foundation").

RECITALS

- A. The Foundation is an independent educational institution engaged in professional continuing education activities which are national and international in scope.
- B. The governing bodies of the University and the Foundation deem it to be to the mutual advantage and benefit of the University and of the Foundation that the Foundation be housed on the campus of the University.
- C. The University now has under construction a building on its campus in Dallas County, Texas (the "Building"), tentatively named "Environment Sciences Building," which is adaptable to use by the Foundation on the terms and conditions of this Agreement.

2-01-74

NOW, THEREFORE, in consideration of such mutual benefits and advantages and of the mutual promises and covenants herein contained, it is agreed between the University and the Foundation as follows:

1. The Building will be completed and equipped by the University at its expense in accordance with plans and specifications to be agreed between representatives of the University and the Foundation, and, when completed, will be occupied by the Foundation as its principal office and place of business free of rental or other charge except as herein specifically provided. The Building will be appropriately named by the Board of Regents after consultation with the governing body of the Foundation, and the University will place signs for identification of the Foundation and for guidance of third parties at appropriate locations on the campus and on the exterior of the Building.

2. It is recognized that, while the primary right to occupy the Building and to make use of its facilities will be in the Foundation, certain of the auditorium and classroom space may not be needed by the Foundation for continuous day-to-day use, but may be used by the Foundation only intermittently in accordance with the scheduling of its activities and programs. By prior agreement between the Foundation and the University, the University may make use of such auditorium and classroom space in the Building if and to the extent that such use by the University does not interfere with the use thereof by the Foundation or the scheduling of its activities. Similarly, if the Foundation has need to use any of the University's facilities outside of the Building on an intermittent basis, by prior agreement between the Foundation and the University, it may use such facilities if and to the extent that such use by the Foundation does

2-01-74

not interfere with the use thereof by the University or the scheduling of its activities.

3. The Building will be maintained by the University at its expense in the same condition and state of repair that it generally maintains the other buildings on the campus of the University. The Foundation will reimburse the University for the cost of repairing any damage or unusual wear and tear sustained by the Building or its furnishings as the result of the actions or neglect of the Foundation or its agents, servants, employees, students, or guests.

4. Utilities and custodial services for the Building will be provided by the University. The University will bill the Foundation periodically for the out-of-pocket costs incurred by the University in providing utilities and custodial services, and the Foundation shall reimburse the University for the amount of such costs promptly after receipt of such statements. If any use is made by the University of any portion of the Building during the applicable period, appropriate adjustments of such costs shall be made.

5. If the Building shall be damaged or destroyed by fire, storm, flood, or other force majeure, the Building will be restored to its former condition by the University at its expense, but the University shall have no liability to the Foundation for any damage to or destruction of Foundation property as a result of such occurrence.

6. The Foundation agrees that it will observe reasonable rules and regulations from time to time promulgated by the University which generally govern the operation of buildings on its campus.

7. The University recognizes that the Foundation is a separate independent institution governed by its own Trustees and officials, and that neither the Foundation nor

2-01-74

any of its activities, programs, finances, resources, or personnel are in any way subject to control or direction by the University or any governing body or officials of the University. The Foundation recognizes that it has no claim on the University for financial or educational support.

8. It is recognized that the principal motivations of the University in furnishing use of the Building to the Foundation are the University's desire to fulfill its mission of public service by providing a much-needed location for the furtherance of the continuing education needs of an important segment of society and to benefit from the very considerable prestige which the Foundation will bring by its physical presence on the University's campus. Therefore, the Foundation agrees that insofar as is reasonably practicable it will conduct its activities in the Building and on the University's campus, and, that insofar as is reasonably practicable, in its stationery and publications it will clearly indicate, not that it is a constituent part of the University, but that its principal office and place of business is located on the University's campus.

9. This agreement shall remain in force until terminated by either party on not less than two years' written notice to the other. At or prior to the effective date of any such termination, the Foundation shall vacate the Building and surrender its right of occupancy hereunder.

2-01-74

THIS AGREEMENT is executed in multiple originals on this _____ day of February, 1974, to be effective immediately.

RECESS. --The Board of Regents recessed at 9:45 a. m. to reconvene as soon as the Standing Committees and the Committee of the Whole had completed their meetings.

REPORTS OF STANDING COMMITTEES

Set out below are reports of meetings of the Standing Committees which were conducted in open session:

REPORT OF SYSTEM ADMINISTRATION COMMITTEE (Pages 7-18). -- The following Report of the System Administration Committee was filed by Committee Chairman Williams. The report and the recommendations therein were approved by unanimous vote:

Since the last report of the System Administration Committee on December 7, 1973, the following recommendations of the Administration were circulated to the members of the System Administration Committee and no exceptions were registered. These recommendations were approved by the Committee this morning and are herewith submitted for formal approval:

1. U. T. System (Medical Institutions): Approval of Bylaws for The University of Texas System Medical Foundation, Inc. (1-M-74). --The University of Texas System Medical Foundation, Inc., was incorporated on October 5, 1973. On October 16, 1973, the Board of Directors of The University of Texas System Medical Foundation, Inc., held its organizational meeting in Houston and took such actions as were necessary to carry out the purposes of the corporation, including the adoption of Bylaws. The Articles of Incorporation of The University of Texas System Medical Foundation, Inc., require that the Board of Regents approve the Bylaws.

It is recommended by System Administration that approval be given to the Bylaws as adopted by the Board of Directors on October 16, 1973, and as set out on Pages 8-16.

BY LAWS

THE UNIVERSITY OF TEXAS SYSTEM MEDICAL FOUNDATION

ARTICLE I

Offices

1. The principal office of the corporation shall be located at 1100 Holcombe Blvd. in the City of Houston, Texas. Such office shall be the registered office of the corporation and the registered agent at such address shall be G. Charles Franklin.

2. The corporation may have offices at other places, both within and without the State of Texas, as determined by the Board of Directors or as required by the business of the corporation. The registered office and the registered agent for the corporation may be changed from time to time by the Board of Directors.

ARTICLE II

Directors

1. The business and affairs of the corporation shall be managed by the Board of Directors. The Board may exercise all the powers of the corporation and do all things permitted by statute, the Articles of Incorporation, or the Bylaws.

2. The Board of Directors shall consist of three persons, with the initial directors being named in the Articles of Incorporation. The initial directors shall serve terms extending through December 31, 1974. Thereafter, directors shall be appointed by The Board of Regents of The University of Texas System for terms of one year. The term of each director shall commence on January 1 and shall extend through the following December 31. Each director shall hold office for the term for which he was appointed and until his successor shall have been appointed and qualified. Each director shall be a person who is

licensed by the Texas State Board of Medical Examiners and who has been actively engaged in the practice of medicine within the State of Texas for at least five years preceding his appointment. Any vacancy which occurs on the Board of Directors shall be filled by appointment of the Board of Regents of The University of Texas System for the unexpired term.

3. The Board of Directors may hold such meetings, both regular and special, either within or without the State of Texas, as the Board may from time to time determine.

4. The time and place for regular meetings of the Board of Directors shall be fixed by resolution of the Board and may be held without notice other than such resolution.

5. Upon at least twenty-four hours' notice to each director, either personally or by mail or telegram, the President of the corporation may call a special meeting of the Board of Directors. Except as provided by statute, the Articles of Incorporation, or the Bylaws, neither the business to be transacted nor the purpose of any special meeting need be specified in the notice or waiver of notice of a special meeting. The President or Secretary of the corporation shall call a special meeting in the same manner upon written request of two (2) directors.

6. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board. The act of a majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors, unless specifically otherwise provided by statute, the Articles of Incorporation, or the Bylaws. If a quorum is not present at a meeting of the Board of Directors, the meeting may be adjourned from time to time without notice other than announcement of the meeting.

7. Any action required by statute, the Articles of Incorporation, or the Bylaws, to be taken at a meeting of the Board of Directors, or any action which may be taken at a meeting of the Board of Directors, may be taken without a meeting if a

written consent setting forth the action so taken shall be signed by all of the directors.

ARTICLE III

Committees

1. The Board of Directors, by resolution of a majority of the directors in office, may designate and appoint one or more committees, each of which shall consist of two (2) or more directors, each of which committees, to the extent provided in the resolution, shall have and exercise the authority of the Board of Directors in the management of the corporation. No such committee shall exercise the power of the Board of Directors with regard to amending the Articles of Incorporation; amending, altering or repealing the Bylaws; electing, appointing or removing any member of such committee or any director or officer of the corporation; authorizing the sale, lease, exchange or mortgage of all or substantially all of the property and assets of the corporation; authorizing the voluntary dissolution of the corporation; or adopting a plan for the distribution of the assets of the corporation. The designation and appointment of any such committee and the delegation of authority thereto shall not operate to relieve the Board of Directors or any individual director of any responsibility imposed by law.

2. Other committees not having and exercising the authority of the Board of Directors in the management of the corporation may be designated and appointed by a resolution adopted at a regular or special meeting of the Board of Directors, or the Board of Directors may authorize the President of the corporation to appoint the members of such a committee. Membership on any such committee may be limited to directors, but membership need not be so limited. Any member of such a committee may be removed by the appointing power whenever in the judgment of the appointing power the best interests of the corporation will be

2-01-74

served by such action.

3. Membership on a committee shall continue for the term specified in the resolution establishing the committee and any vacancies shall be filled as in the case of the original appointment. A committee shall exist for the time specified in the resolution by which it was established unless it shall be sooner terminated by resolution.

4. Each committee may establish rules for its own governance which are not inconsistent with the statutes, the Articles of Incorporation, or the Bylaws.

ARTICLE IV

Notices

1. Whenever by statute, the Articles of Incorporation, or the Bylaws, notice is required to be given to any director and the provision requiring such notice fails to specify how notice shall be given, notice may be given in writing by United States mail, postage prepaid, addressed to the address of each director as it appears on the records of the corporation. Notice by mail shall be deemed to have been given at the time the notice is deposited in the United States mail.

2. The requirement of notice may be waived by any director by means of a written waiver signed by him. Such waiver shall be effective whether signed before or after the stated time for notice, and shall be the equivalent of giving the required notice.

3. By attending any meeting a director waives notice of that meeting except where a director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

ARTICLE V

Officers

1. The directors shall elect the officers of the corporation. The officers of the corporation shall be: a President, a

2-01-74

Vice-President, a Secretary, and a Treasurer. Any two or more offices may be held by the same person except the offices of President and Secretary.

2. At its first meeting the Board of Directors shall elect a President, a Vice-President, a Secretary, and a Treasurer, any of whom may be but need not be members of the Board of Directors. The offices of Secretary and Treasurer may be held by one person. Thereafter, such offices shall be filled in a like manner at the first meeting after the directors take office on January 1 of each year. Each officer of the corporation shall hold office until his successor shall have been duly elected and shall have qualified.

3. The Board of Directors may elect, appoint, or employ, or by resolution may authorize the President to appoint or employ, such other person or persons as may be necessary to carry on the business of the corporation. Such person or persons shall exercise the power and perform the duties as determined from time to time by the Board or the President as the case may be.

4. Any officer elected by the Board of Directors may be removed by the Board of Directors whenever in its judgment the best interests of the corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the officer so removed.

5. Any vacancy in an office because of death, resignation, removal, disqualification or otherwise, may be filled by the Board of Directors for the unexpired portion of the term of that office.

6. The President shall be the chief executive officer of the corporation and shall have general supervision and control of all of the business and affairs of the corporation. He shall preside at all meetings of the Board of Directors; he shall see

2-01-74

that all orders and resolutions of the Board are carried into effect; and he shall perform such other duties as may be prescribed by the Board of Directors.

7. In the absence of the President or in the event of his inability or refusal to act, the Vice-President shall perform the duties of the President, and, when so acting, shall have all the powers of and be subject to all restrictions upon the President. The Vice-President shall perform such other duties as from time to time may be prescribed by the Board of Directors.

8. The Secretary shall keep the minutes of the meetings of the Board of Directors and shall record the minutes and all votes taken at such meetings in a book or books kept for that purpose. He shall give or provide for giving of any notice required by statute or the Bylaws. He shall be the custodian of the corporate records and the corporate seal and shall see that the seal is affixed to all documents executed on behalf of the corporation upon authority of the Board of Directors. When affixed, the seal shall be attested by the signature of the Secretary. The Secretary shall perform such other duties as may be prescribed from time to time by the President or the Board of Directors.

9. The Treasurer shall have charge and custody of all corporate funds and securities and shall keep a full and accurate account of the receipts and disbursements of the corporation. He shall receive and give receipts for any money or thing of value which shall be received by the corporation and shall deposit same to the credit and in the name of the corporation in any depository designated by the Board of Directors. He shall execute vouchers and prepare checks for the disbursement of the funds of the corporation in accordance with the order of the Board of Directors. He shall provide the President and Board of Directors with an account of all his transactions as Treasurer and of the financial condition

2-01-74

of the corporation at such time or times as they may require. He shall perform such other duties as may be prescribed from time to time by the President or the Board of Directors.

ARTICLE VI

General Provisions

1. The Board of Directors shall provide for a corporate seal which shall be in the form of a circle with the name of the corporation inscribed around its circumference. The seal may be used by causing it or its facsimile to be impressed, affixed, or otherwise reproduced and shall be attested by the signature of the Secretary.
2. All checks or demands for money and notes of the corporation shall be signed by such officer or officers or any other person or persons designated by resolution of the Board of Directors for that purpose.
3. The corporation shall indemnify any director, officer, or employee, or any former director, officer, or employee of the corporation against expenses he actually and necessarily incurs and any amount paid in satisfaction of judgments in connection with any action, suit, or proceeding, whether civil or criminal, in which he is made a party by reason of being or having been a director, officer, or employee (whether or not he was a director, officer, or employee at the time the costs or expenses were incurred by or imposed upon him) except in relation to matters to which he is adjudged in the action, suit, or proceeding to be liable for gross negligence or willful misconduct in the performance of duty. The corporation may also reimburse any director, officer, or employee the reasonable costs of settlement of any action, suit, or proceeding, if a majority of the directors not involved in the matter in controversy, whether or not a quorum, finds it in the interest of the corporation that the settlement is made, and that the director, officer, or

2-01-74

employee was not guilty of gross negligence or willful misconduct. The corporation shall not reimburse or indemnify any director, officer, or employee for any expenses or liability which may be incurred by such director, officer, or employee while engaged in the practice of medicine.

4. All physicians employed by the corporation for the purpose of serving as a member of the staff of any hospital or hospitals that are neither owned nor operated by the corporation shall, in the performance of their duties as members of the staff of such hospital or hospitals, be subject to the direction and control of the hospital or hospitals upon whose staff he serves. No physician employed by the corporation shall serve upon the staff of a hospital not owned or operated by the corporation unless and until the governing body of such hospital shall agree in writing to assume full responsibility for the direction and control of the acts of such physician while serving upon the staff of the hospital and shall further agree in writing to hold the corporation harmless from all liability which may arise out of acts performed by such physician while engaged in the scope and course of his duties as a member of the staff of such hospital. No director, officer, or employee of the corporation shall be authorized to act on behalf of the corporation to direct or control the acts of any physician employed by the corporation while said physician is serving as a member of the staff of any hospital or hospitals not owned or operated by the corporation.

5. Physicians employed by the corporation shall have no authority to engage in the practice of medicine for or on behalf of the corporation except at a clinic, hospital, or other facility owned or operated by the corporation. Upon written authorization of the President, physicians employed by the corporation may act in a consulting capacity at other clinics, hospitals, or facilities.

6. The directors shall not engage, participate, or intervene in any activity or transaction which would result in the loss by the corporation of its status as an exempt organization under the provisions of the Internal Revenue Code of 1954, as amended, or corresponding provisions hereafter in effect; and the use, directly or indirectly, of any part of the corporation's assets in any such activity or transaction is hereby expressly prohibited.

7. No dividends shall ever be paid by the corporation and no part of its net income shall be distributed to or inure to the benefit of its directors or officers or any private person, firm, corporation, or association. No substantial part of the corporation's activities shall be carrying on propaganda, or otherwise attempting to influence legislation, and it shall not participate in, or intervene in (including the publishing or distributing of statements), any political campaign on behalf of or in opposition to any candidate for public office.

8. If the corporation ever should be dissolved when it has, or is entitled to, any interest in any funds or property of any kind, real, personal, or mixed, such funds or property or rights thereto shall not be transferred to private ownership, but shall be transferred and delivered, after satisfaction or provision for satisfaction of debts and claims to the Board of Regents of The University of Texas System.

ARTICLE VII

Amendments to Bylaws

1. These Bylaws may be altered, amended or repealed at any meeting of the Board of Directors, provided that notice of the proposed alteration, amendment, or repeal is contained in the notice of the meeting, and provided further that no alteration, amendment, or repeal of the Bylaws shall be effective unless and until approved by the Board of Regents of The University of Texas System.

The transfer of \$1,000,000 in balances to Plant Funds is for the renovation of the Cary Building. This building will be assigned to Clinical Science departments upon completion of the Phase I building program and is in need of extensive renovation and repairs.

Also requested is the transfer of \$100,000 into plant funds for minor repair and renovation of facilities. The expansion of the medical school necessitates the relocation of many faculty into areas that require repairs or remodeling to adapt the space to their needs. These funds for small projects will greatly assist us in meeting this requirement.

REPORT OF ACADEMIC AND DEVELOPMENTAL AFFAIRS COMMITTEE
(Page 19). --Committee Chairman (Mrs.) Johnson filed the following Report of the Academic and Developmental Affairs Committee and moved the adoption of the recommendations therein. This motion prevailed by unanimous vote:

1. U. T. System: Chancellor's Docket No. 69 (Attachment No. 1). -- There were exceptions to Chancellor's Docket No. 69 filed with the Secretary; however, the Chancellor's responses also filed with the Secretary and distributed were satisfactory to the Regent making the exceptions. There being no further questions, Chancellor's Docket No. 69 was approved in the form distributed by the Secretary prior to the meeting. It is attached (Attachment No. 1) following Page 168 and made a part of these Minutes.
2. U. T. Austin: Establishment of Angus G. Wynne, Sr., Professorship in Civil Jurisprudence, School of Law. --Upon recommendation of President Spurr, concurred in by Chancellor LeMaistre, the Board of Regents authorized the establishment of the Angus G. Wynne, Sr., Professorship in Civil Jurisprudence in the School of Law of The University of Texas at Austin. This professorship is to be funded by the Law School Foundation, and the occupants of the professorship will be chosen by the Board of Regents of The University of Texas System after receiving recommendations from appropriate University officials.
3. U. T. El Paso: Authorization to Request Coordinating Board for Permission to Establish Ph. D. Degree Program in Geological Sciences. --Authorization was given to request the Coordinating Board, Texas College and University System for permission to establish a program leading to a Ph. D. degree in geological sciences at The University of Texas at El Paso as proposed by President Templeton, concurred in by Chancellor LeMaistre.

It was reported that this program will emphasize economic and applied geology and is intended to prepare professional geologists who can combine theoretical knowledge with practical application primarily in industry and government. The degree will require the equivalent of nine months' work experience in the petroleum or mining industries or in an applied branch of the federal or state geological surveys as a part of the program.

REPORT OF BUILDINGS AND GROUNDS COMMITTEE (Pages 20-37). --
The following Report of the Buildings and Grounds Committee was filed
by Committee Chairman Erwin. The Report was adopted and the actions
therein ratified by unanimous vote.

1. U. T. Arlington - Activities Building: Award of Contract to Walker Construction Company, Fort Worth, Texas, and Additional Appropriation. --System Administration reported that for the Activities Building at The University of Texas at Arlington bids were opened and tabulated on January 15, 1974. After the bid tabulation it was evident that the four lowest bidders were in close competition, and the Architect approached the apparent low bidder to determine the feasibility of negotiating reductions in the contract prices for changes that would not interfere with the functions or would not change the quality of the building. All of these changes met with Dr. Nedderman's approval and, as indicated in response to Chairman McNeese's inquiry, did not eliminate any of the handball courts. As a result, the low bidder of Base Bid plus Alternates Nos. 2 and 3 reduced the bid price by negotiated reductions of \$309,065 with the proposal that additional savings may be achieved if better prices for certain materials can be found.

After due consideration, a construction contract for the Activities Building at The University of Texas at Arlington was awarded to the low bidder, Walker Construction Company, Fort Worth, Texas, as follows:

Base Bid	\$ 5,137,000
Add Alternates:	
No. 2 (Add Covered Walk)	40,000
No. 3 (Add Brick, Enclosed Walk)	35,000
	\$ 5,212,000
Less Negotiated Deductions	309,065
Total Contract Award	\$ <u>4,902,935</u>

The total project cost was increased from \$4,500,000 to \$5,405,831 to cover the recommended contract award, movable furnishings and equipment, air balancing, fees and miscellaneous expenses.

For this project \$4,500,000 had been previously appropriated. It was authorized at this meeting that the additional funds in the amount of \$905,831 be appropriated from 1974 Constitutional Tax Bond proceeds.

2. U. T. Arlington - Preston Hall and Ransom Hall: Authorization to Renovate; Appointment of Preston M. Geren Architect and Engineer and Associates, Fort Worth, Texas, Project Architect; Preparation of Preliminary Plans and Specifications and Appropriation Therefor. --Upon recommendation of Acting President Nedderman, concurred in by System Administration, authorization was given to renovate Preston and Ransom halls at The University of Texas at Arlington, at an estimated total project cost of \$950,000. It was

2-01-74

reported that these two halls contain classrooms, office space and laboratory space and that the repairs and renovation needed includes the replacement of partitions and floors and renovation of interior walls. Preston Hall contains approximately 25,910 square feet and Ransom Hall contains approximately 29,010 square feet of space.

The firm of Preston M. Geren Architect and Engineer and Associates, Fort Worth, Texas, was appointed Project Architect for this renovation with authorization to prepare preliminary plans and specifications to be submitted to the Board of Regents for consideration at a future meeting.

An appropriation of \$10,000 from proceeds of Constitutional Ad Valorem Tax Bonds for Architect's fees and miscellaneous expenses through the preparation of preliminary plans and specifications was authorized.

3. U. T. Arlington: Authorization to Construct Additional Parking Facilities and Appropriation Therefor. --It was reported that with the construction of the Activities Building at The University of Texas at Arlington (final plans and specifications approved by Board of Regents on December 7, 1973) a total of 294 parking spaces will be eliminated in the area east of the site which is presently the parking lot bound on the east by Monroe Street, on the South by West 2nd Street and on the north by Athletic Drive. Because of anticipated growth of the U. T. Arlington campus, additional parking space should be provided. Currently there are 5,555 parking spaces for approximately 12,000 registered vehicles. The following recommendations of Acting President Nedderman, concurred in by System Administration, were unanimously approved:
- a. Authorize the construction of additional surface parking facilities for approximately 2,000 cars at an estimated total project cost of \$500,000. One site for parking approximately 1,000 cars would be a portion of the area north of Athletic Drive to West Border bound on the east by Monroe Street and on the west by a portion of the Swift School area. Other parking facilities for an additional 1,000 cars would be adjacent to the Swift School site as space permits.
 - b. Appropriate \$500,000 from proceeds of Constitutional Ad Valorem Tax Bonds for the project.
 - c. Authorize preparation of final plans and specifications for this project by the staff of the Office of Facilities Planning and Construction and any required consultants.

It was noted that completed contract documents and a final cost estimate will be submitted to the Board of Regents for consideration at a future meeting.

4. U. T. Arlington: Waiver of Regents' Easement Policy and Authorization to Grant to Texas Electric Service Company, Fort Worth, Texas, Overhead Electric Distribution Line Easement. --At the Regents' meeting on December 7, 1973, the request of Texas Electric Service Company for an overhead electric distribution line easement at The University of Texas at Arlington was postponed. Following this meeting, Texas Electric Service Company agreed to install this line underground provided the University would reimburse the Company for the difference in cost of underground and overhead installation which would be approximately \$800.

The Administration reported that there are currently several overhead lines in this area which is devoted to athletics and further stated that it is contemplated these lines will be placed underground when buildings are constructed in the area.

Whereupon, the Regents' Easement Policy was waived and an overhead electric distribution line easement was granted to Texas Electric Service Company, Fort Worth, Texas, along, over, under and across a 48.195 acre tract of land out of the O. Medlin Survey, Abstract No. 1043, Tarrant County, Texas, which property is more particularly described in Volume 400, Page 343, Deed Records of Tarrant County, Texas. This easement is to be 20 feet in width and approximately 250 feet in length.

Chairman McNeese was authorized to execute this overhead easement when it has been approved as to content by the Deputy Chancellor for Administration and as to form by a University attorney.

5. U. T. Austin - Communication Building: Appropriation for Remainder of Priority Equipment. --A report was received from the Administration that the priority equipment for the Communication Building at The University of Texas at Austin under the original appropriation of \$2,500,000 is now 87 percent or more complete. The deferred appropriation of \$393,490 (deferred on December 8, 1972, for consideration in 1973-74) was authorized from the Available University Fund to complete the purchase of the priority equipment for the Communication Building.
6. U. T. Austin - Robert A. Welch Hall: Approval of Preliminary Plans and Specifications for Addition Thereto. --It was reported that the preliminary plans and specifications for the addition to Robert A. Welch Hall at The University of Texas at Austin had been prepared by the Project Architect, Wyatt C. Hedrick, Architects and Engineers, Inc., Houston, Texas, at an estimated total project cost of \$15,080,000. The preliminary plans and specifications were approved, and the Project Architect was authorized to prepare final plans and specifications for consideration by the Board of Regents at a future meeting.

It was noted that this addition includes a multi-space auditorium for large classes.

7. U. T. Austin - Social Science and Humanities Library: Appointment of Committee to Award Contract Therefor; Price Escalation. -- Attention was called to the fact that the final plans and specifications of the Social Science and Humanities Library at The University of Texas at Austin were approved on December 7, 1973, with authorization to the Director of the Office of Facilities Planning and Construction to advertise for bids subject to final review and all granting agency clearances. Since the bids will be received between meetings of the Board of Regents, a committee composed of the following was named to award a contract for this project within the authorized funds of \$20,000,000 which have been previously appropriated:

Chairman McNeese
 Committee Chairman Erwin
 Deputy Chancellor Walker
 Director Kristoferson
 President Spurr

Committee Chairman Erwin noted that bids have been coming in 15 to 20 percent above estimates, that there has been a terrific escalation within the past 90 days and that he expects from now on all bids on major projects will be substantially higher and above the estimates.

8. U. T. Austin - Special Events Center: Approval of Final Plans and Specifications, Authorization to Advertise for Bids and Appointment of Committee to Award Contract. --It was reported that the final plans and specifications for the Special Events Center at The University of Texas at Austin to be located in an area bounded by 16th Street on the south, Red River Street on the west, Little Campus (18th Street) on the north and IH 35 on the east had been completed by the Project Architect, B. W. Crain, Jr., Longview, Texas. These final plans and specifications were approved and they provide for a building of approximately 380,000 gross square feet with a seating capacity of approximately 17,000 at an estimated total project cost of \$19,750,000, which has been previously appropriated.

The Director of the Office of Facilities Planning and Construction was authorized to advertise for bids, and the following committee was appointed to award a contract for this project within the authorized amount of \$19,750,000:

Chairman McNeese
 Committee Chairman Erwin
 Deputy Chancellor Walker
 Director Kristoferson
 President Spurr

9. U. T. Austin: Waiver of Regents' Rules and Regulations, Part One, Chapter VIII, Sec. 1, and Authorization to Name Southeast Reading Room of Tarlton Library, Townes Hall (School of Law) the David T. Searls Reading Room. --Upon recommendation of President Spurr, concurred in by System Administration, Sec. 1 of Chapter VIII of Part One of the Regents' Rules and Regulations was waived and the Southeast Reading Room of Tarlton Library, Townes Hall (School of Law) was named the David T. Searls Reading Room in honor of the late David T. Searls, a distinguished attorney and a former member of the Houston law firm of Vinson, Elkins, Searls, Connally & Smith.

10. U. T. Austin - Physics Building Remodeling: Award of Contract to Rockford Furniture Associates, Austin, Texas, for Furniture and Furnishings (General Furnishings, Base Bid "A") and to Reject Bid Proposals for Furniture and Furnishings (Laboratory Furnishings, Base Bid "B"). --Upon recommendation of System Administration, a contract in the amount of \$79,533.95 was awarded to Rockford Furniture Associates, Austin, Texas, low bidder for Base Bid "A" (General Furnishings) for the Physics Building that has been remodeled at The University of Texas at Austin.

All bids for the laboratory furniture (Base Bid "B") were rejected since these bids greatly exceeded the estimated cost and the funds allotted. System Administration indicated that the proposal would be revised and bids called for, the results of which would be brought to the Board of Regents for consideration at a later meeting.

It was noted that funds are available in the Furniture and Equipment Account for this project to cover the award for Base Bid "A".

11. U. T. Austin: Waiver of Regents' Rules and Regulations, Part One, Chapter VIII, Sec. 1, and Changing Name of Old Physics Building to T. S. Painter Building. --Upon recommendation of President Spurr, concurred in by System Administration, Sec. 1 of Chapter VIII of Part One of the Regents' Rules and Regulations was waived. The old Physics Building at The University of Texas at Austin was renamed the T. S. Painter Building in honor of the late T. S. Painter, distinguished scientist and former President of The University of Texas.

12. U. T. Austin - College of Fine Arts and Performing Arts Center - Site Preparation (Street and Utility Improvements): Award of Contract to Goolsby Building Corporation, Temple, Texas. --System Administration reported that in accordance with authorization given at the meeting of the Board of Regents held on December 7, 1973, the two portions of the Site Preparation project for the College of Fine Arts and Performing Arts Center [Re-Routing of Trinity Street (Street Improvements) and Utility Improvements] were incorporated into one bid proposal and bids were opened and tabulated on January 29, 1974. It was recommended that the low bidder, Goolsby Building Corporation, Temple, Texas, be awarded a construction contract for Site Preparation (Street and Utility Improvements) for the College of Fine Arts and Performing Arts Center at The University of Texas at Austin in the amount of \$509,000. This recommendation was unanimously adopted.

The contract award encompasses initial site work consisting of re-routing of Trinity Street and relocation of underground utilities West of Red River and adjacent to existing Clark Field. A total project cost of \$568,040 (estimated October 26, 1973, at \$250,000) was authorized to cover the construction contract award, tree work, fees and miscellaneous expenses within funds previously appropriated.

2-01-74

13. U. T. Austin - Printing and Press Building: Authorization for Project; Selection of Site; Appointment of Barnes Landes Goodman and Youngblood, Austin, Texas, Project Architect, and Appropriation Therefor. --Since the warehouse building for the Press and the Press Office Building at The University of Texas at Austin are located within the area designated for the construction of the Social Science and Humanities Library and since more space is needed, it was ordered that a single building of approximately 80,000 square feet be constructed to house the Printing Division and University Press and that the building be located adjacent to the south and west of Central Purchasing, Vouchering, Receiving and Delivery Building. The firm of Barnes Landes Goodman and Youngblood, Austin, Texas, was appointed Project Architect with authorization to prepare the preliminary plans and outline specifications to be submitted to the Board of Regents at a future meeting. For Architect's fees and miscellaneous expenses, through the preparation of preliminary plans, \$25,000 was appropriated from interest on bond proceeds.
14. U. T. Austin: Authorization to Remodel Journalism Building, Speech Building, 2601 University, West Mall Office Building and Waggener Hall for Use of Colleges of Humanities and of Social and Behavioral Sciences, Division of General and Comparative Studies, and Counseling-Psychological Services Center and Appropriation Therefor. --Space in the Journalism Building, the Speech Building, the building at 2601 University, the West Mall Office Building and Waggener Hall at The University of Texas at Austin has been vacated by those who have moved into the Communication Building. The Administration reported that these buildings will need to be renovated in order to be suitable for the College of Humanities, the College of Social and Behavioral Sciences, Division of General and Comparative Studies, and Counseling-Psychological Services Center since these colleges and divisions are scheduled to occupy the vacated space.

After reviewing the cost estimates for the remodeling program, the remodeling and renovation of the following buildings under the supervision of the U. T. Austin Physical Plant staff was authorized at an estimated total project cost of \$225,000:

Journalism Building	\$ 65,000
Speech Building	35,000
2601 University	80,000
West Mall Office Building	10,000
Waggener Hall	15,000
	<u>\$ 205,000</u>
Plus allowance for moving and relocation costs	20,000
Total	<u><u>\$ 225,000</u></u>

To cover the cost of this remodeling project, \$225,000 was appropriated from the Available University Fund.

16. U. T. Dallas - Environmental Science Building: Authorization for Addition (Including 300 Seat Auditorium) and for 360 Car Parking Facility; Appointment of Harwood K. Smith and Partners, Inc., Dallas, Texas, and Appropriation Therefor. -- System Administration reported that since construction had begun on the Environmental Science Building at The University of Texas at Dallas (a \$1,100,000 project) an evaluation of space requirements reflected the need of an addition of a 300 seat auditorium and additional parking facilities to accommodate approximately 360 cars in order to take care of the increased functions and operations of the facility.

Upon recommendation of President Jordan and System Administration, the following were authorized:

- a. To add to the Environmental Science Building a 300 seat auditorium, a parking facility for approximately 360 cars and other necessary modifications related to the building addition

2-01-74

- b. Appointment of Harwood K. Smith and Partners, Inc., Dallas, Texas, Project Architect, with authorization to prepare preliminary plans and a cost estimate to be submitted to the Board of Regents at a future meeting
- c. Appropriation of \$15,000 from Tuition Bond Proceeds for Architect's fees and related project expenses through preliminary plans

In order to expedite the project, a committee was appointed to approve the preliminary plans and cost estimate. Committee Chairman Erwin, Board Vice-Chairman Williams, President Jordan, Deputy Chancellor Walker and Director Kristoferson were named to the committee.

17. U. T. El Paso - Education Building: Acceptance of Revised Annual Interest Grant No. 5-7-00335-0. --

WHEREAS, At the Regents' meeting held on September 12, 1970, Annual Interest Grant No. 5-7-00335-0 was accepted from the U. S. Department of Health, Education and Welfare for the Education and Engineering Building (now Education Building) at The University of Texas at El Paso in the annual amount of \$34,660 for a period of 36-1/2 years;

WHEREAS, This grant was for the purpose of paying the difference in the actual interest over and above a 3 percent interest rate on the portion of bonds allocated to the construction of the Education and Engineering Building (now Education Building) and was calculated without regard to the accrued interest to the date of bond delivery;

WHEREAS, The Department of Health, Education and Welfare has issued a Notification of Reduction of Annual Interest Grant Commitment for Grant No. 5-7-00335-0 and this revised Annual Interest Grant of \$33,980 reflects the lower net interest cost after the deduction of the accrued interest purchased:

BE IT RESOLVED, That the revised Annual Interest Grant No. 5-7-00335-0 be accepted.

18. U. T. El Paso - Hudspeth Hall: Award of Contract for Remodeling to Guldemann Construction and Engineering, Inc., El Paso, Texas (Bids Not Referred to Committee Previously Appointed). --In order not to delay the remodeling of Hudspeth Hall at The University of Texas at El Paso, a Committee was appointed on October 26, 1973, to consider the bids when they were received and award a contract within the estimated total project cost of \$393,000. However, since the bids exceeded the estimated project cost, they were

2-01-74

not considered by the committee and were presented at this meeting. Attention was called to the fact that costs had escalated since the total estimated cost of the project was approved in April 1972, and upon recommendation of System Administration the total project cost was increased to \$444,000. It was noted that there are funds available that have been previously appropriated for remodeling projects at U. T. El Paso.

After consideration of the bids, a construction contract was awarded for this project to the low bidder, Guldemann Construction and Engineering, Inc., El Paso, Texas, as follows:

Base Bid	\$ 341,140
Add Alternates:	
No. 1 (Exterior Paint)	5,900
No. 2 (Aluminum Windows)	10,800
	<hr/>
Total Contract Award	<u>\$ 357,840</u>

19. U. T. El Paso - Extension of Thermal (Hot and Chilled Water Lines) and Electrical Power Utilities to North Portion of the Campus: Approval of Final Plans and Specifications and Authorization to Advertise for Bids. --It was reported that the final plans and specifications, authorized October 26, 1973, for Extension of Thermal (Hot and Chilled Water Lines) and Electrical Power Utilities to the North Portion of the Campus of The University of Texas at El Paso for service to the Special Events Center had been completed by the Project Engineer, Mechanical Consultants, Inc., El Paso, Texas. During the preparation of the plans and specifications, it was determined that additional lines and larger pipes and ducts were needed which increased the total project cost from \$400,000 to \$620,138.

Upon recommendation of President Templeton and System Administration, the following action was taken:

- a. The final plans and specifications at an estimated total project cost of \$620,138, which is within funds previously appropriated for Utilities Expansion, were approved.
- b. The Director of the Office of Facilities Planning and Construction was authorized to advertise for bids to be presented to the Board of Regents for consideration at a later meeting.

20. U. T. El Paso - Installation of Artificial Turf at Sun Bowl:
Award of Contracts to Borsberry Construction Company, Inc.,
El Paso, Texas, and Monsanto Company, St. Louis, Missouri,
and Additional Appropriation. --System Administration reported
 that bids were opened and tabulated on January 15, 1974, for the
 Installation of Artificial Turf at the Sun Bowl at The University
 of Texas at El Paso. It was pointed out that this project will
 be accomplished under two contracts, Contract A - Site Improve-
 ments (modification of underground utilities beneath playing
 field, installation of flexible base and asphalt surface to receive
 synthetic surfaces, and painted asphalt surfaces on earth berms
 located at each end of the playing field) and Contract B -
 Installation of Synthetic Surfaces (Artificial Turf).

After due consideration of the tabulation of bids received, con-
 struction contracts were awarded to the low bidders for the
 Installation of Artificial Turf at The University of Texas at
 El Paso, as follows:

Contract "A" - Site Improvements

Borsberry Construction Company,
 Inc., El Paso, Texas

Base Bid	\$ 77,679
Add Alternate No. 1 (Add Berm Work)	<u>39,368</u>
Total Contract Award for Contract "A"	<u>\$ 117,047</u>

Contract "B" - Synthetic Surfaces

Monsanto Company
 St. Louis, Missouri

Base Bid	\$ <u>351,205</u>
Total Contract Award for Contract "B"	<u>\$ 351,205</u>
Total Contract Awards	<u><u>\$ 468,252</u></u>

It was determined that the total project cost of \$565,350 previously
 estimated for this project should be lowered to \$526,347 to cover
 the construction contract awards, field equipment, fees and miscel-
 laneous expenses, and the latter amount was authorized.

The sum of \$500,000 has been previously appropriated from
 Permanent University Fund Bond proceeds for this project,
 and at this meeting an additional \$26,347 was appropriated
 from the same source.

21. U. T. Permian Basin - Classroom Building, Laboratory Building and Gymnasium (Phase I Buildings): Award of Contracts for Furniture and Furnishings to Abel Contract Furniture and Equipment Company, Inc., Austin, Texas, Carpet Engineering Services Company, Dallas, Texas, and Norton Brothers, Inc., El Paso, Texas. --For the furniture and furnishings of the Classroom Building, Laboratory Building and Gymnasium (Phase I Buildings) at The University of Texas of the Permian Basin, contracts were awarded to the low bidders, Abel Contract Furniture and Equipment Company, Inc., Austin, Texas, Carpet Engineering Services Company, Dallas, Texas, and Norton Brothers, Inc., El Paso, Texas.

Abel Contract Furniture and Equipment
Company, Inc., Austin, Texas

Base Bid "A" (General Furnishings) \$108,461.45

Carpet Engineering Services Company,
Dallas, Texas

Base Bid "B" (Carpet) \$ 29,700.00

Norton Brothers, Inc.,
El Paso, Texas

Base Bid "C" (Steel Shelves) \$ 10,749.86

Total Contract Awards \$148,911.31

It was noted that a contract for the mobile laboratory furniture for the Laboratory Building had previously been awarded by the Board of Regents at its meeting on June 1, 1973.

The necessary funds to cover these contract awards are available in the Furniture and Equipment Account for the project.

22. U. T. Permian Basin - Water (Untreated) Sources: Appointment of Freese, Nichols and Endress, Consulting Engineers of Fort Worth, to Prepare Preliminary Plans for Untreated Water Storage and Distribution System and Approval of Agreement with City of Odessa, Texas. --The Administration reported that Committee Chairman Erwin, Regent Clark and Deputy Chancellor Walker had negotiated with the City of Odessa and the Colorado River Municipal Water District to obtain delivery of untreated water to the athletic facilities and the landscaped areas of The University of Texas of the Permian Basin campus. The Colorado River Municipal Water District that furnishes water to the City of Odessa has a 33 inch pipeline that lies just north of the campus. This Water District agreed to the University's tapping this line for water, and the City of Odessa agreed to furnish untreated water to U. T. Permian Basin on a sliding scale based on the amount of water used.

2-01-74

The Buildings and Grounds Committee approved the negotiations and authorized the Chairman of the Board of Regents to execute an agreement with the City of Odessa when the instrument had been approved as to content by Deputy Chancellor Walker and as to form by Mr. William R. Long, III.

The Committee further appointed the firm of Freese, Nichols and Endress, Consulting Engineers of Fort Worth, Texas, to make a survey of the need for untreated water on the campus, to prepare preliminary plans for an untreated water storage and distribution system, including the water tap to the Colorado River Municipal Water District line and to furnish an estimate of cost for the project. It was understood that the recommendations of the consulting engineering firm, together with the preliminary plans and cost estimate, would be furnished to the Board of Regents for consideration.

23. U. T. San Antonio - Physical Plant, Physical Education Building and Convocation Center (3 of 7 Phase I Buildings): Award of Contracts for Furniture and Furnishings to Abel Contract Furniture and Equipment Company, Inc., Austin, Texas, and Hoover Brothers, Inc., Temple, Texas. --System Administration reported that bids were opened and tabulated for furniture and furnishings for the Physical Plant, Physical Education Building and Convocation Center (3 of the 7 Phase I Buildings) at The University of Texas at San Antonio on January 23, 1974. It was recommended and, after due consideration, contracts were awarded to Abel Contract Furniture and Equipment Company, Inc., Austin, Texas, and Hoover Brothers, Inc., Temple, Texas, as follows:

Abel Contract Furniture and Equipment Company, Inc., Austin, Texas	
Base Bid "A" (General Furnishings)	\$ 38,399.68
Base Bid "C" (Steel Shelving)	<u>4,437.62</u>
Total Contract Award to Abel Contract Furniture and Equipment Company, Inc.	<u>\$ 42,837.30</u>
Hoover Brothers, Inc., Temple, Texas	
Base Bid "B"	<u>\$ 8,998.00</u>
Total Contract Awards	<u><u>\$ 51,835.30</u></u>

It was noted that one of the bids received was not signed and that the awards were made on the basis of the low responsive bids received.

The necessary funds are available in the Furniture and Equipment Account for this project.

24. U. T. San Antonio - Site Development (Including Parking Areas, Campus Entrance and Service Roads, Walks and Plazas, Outdoor Recreation Facilities, Landscaping, Etc.): Approval of Final Plans and Specifications and Authorization to Advertise for Bids; Status of Phase I Buildings. --It was reported that the Project Architects, Ford, Powell & Carson and Bartlett Cocke & Associates, Inc., of San Antonio, Texas, had completed the final plans and specifications for the development of the site of the Phase I building program at The University of Texas at San Antonio. These plans and specifications for Site Development (not to be confused with Site Preparation by H. B. Zachry Co. under contract dated November 1, 1971) cover parking areas for approximately 3,000 automobiles, campus entrance and service roads, pedestrian walks and plazas, outdoor recreation facilities, landscaping and related utilities for the seven buildings of Phase I currently under construction.

Upon recommendation of President Flawn and System Administration, the Buildings and Grounds Committee:

- a. Approved the final plans and specifications
- b. Authorized the Director of the Office of Facilities Planning and Construction to advertise for bids subject to completion of all necessary reviews

It was noted that Site Development must be bid and constructed in increments in order to coordinate the site work with the current construction of the buildings and to minimize conflicts in various construction work areas. The bids for each of the segments of Site Development work will be presented to the Board of Regents for consideration.

It was further noted that the first segment of the site work would encompass some limited parking and sidewalks and can be accomplished within funds that have been previously appropriated for the total project. Later segments of the work will have to be adjusted according to conditions.

During the consideration of the final plans and specifications for site development, Chairman McNeese inquired as to the progress of construction at The University of Texas at San Antonio. Committee Chairman Erwin responded that the contractor, T. C. Bateson Construction Company, Dallas (against whom we also have a lawsuit instituted because of poor work on the L. B. J. Library) is dilatory. While 70 percent of the construction should be completed, there is only about 48 percent completed. Committee Chairman Erwin suggested and asked that at the next review of construction progress, which will be in June, each member of the Board attend so that he can see exactly what is going on.

Regent Bauerle noted that if the program as planned is to be carried out on schedule, it is essential the buildings be completed. He reviewed the steps in the plan for opening the school: The Graduate School began in June 1973 and will continue through 1975. If sufficient physical space is available on the campus, all four years will begin in September 1975; if sufficient space is not available, junior and seniors will be accepted in the fall of 1975 and the acceptance of freshmen and sophomores will be deferred until the fall of 1976 - all of this is subject to legislative funding.

25. Dallas Health Science Center (Dallas Medical School) - Basic Sciences Teaching Unit and Four Lecture Rooms: Award of Contract for Furniture and Furnishings to Dallas Office Supply Company and Carpet Engineering Services Company, Both of Dallas, Texas. -- System Administration reported that bids were opened and tabulated on January 23, 1974, for the furniture and furnishings for the Basic Science Teaching Unit and Four Lecture Rooms at the Dallas Medical School of The University of Texas Health Science Center at Dallas. After due consideration, contracts were awarded to the low bidders as follows:

Dallas Office Supply Company,
Dallas, Texas

Base Bid "A" (General Furnishings) \$ 163,690.40

Carpet Engineering Services Company,
Dallas, Texas

Base Bid "B" (Carpet)
Alternate #1 59,400.00

Total Contract Awards \$ 223,090.40

It was noted that the necessary funds to cover these contract awards are available in the Furniture and Equipment Account for the project.

26. Dallas Health Science Center (Dallas Medical School) - Basic Science Research Building: Authorization to Remodel Ground Floor Space for Department of Psychiatry, Appointment of Dahl/Braden/Jones/Chapman, Inc., Dallas, Texas, Project Architect, and Appropriation Therefor. -- The Committee's attention was called to the fact that there is now available for remodeling approximately 4,000 square feet of space on the ground floor of the Basic Science Research Building at the Dallas Medical School of The University of Texas Health Science Center at Dallas and that the Department of Psychiatry could use this space for the Division of Psychology. Currently the Department of Psychiatry has space leased from 2600 Stemmons Freeway Company of Dallas (Leases USW-4862L and USW-4863L).

Whereupon, authorization was given to remodel for the Division of Psychology of the Department of Psychiatry the ground floor of the Basic Science Research Building at an estimated total project cost of \$145,000.

The firm of Dahl/Braden/Jones/Chapman, Inc., Dallas, Texas, was appointed Project Architect with authorization to prepare the final plans and specifications to be submitted to the Board of Regents for consideration at a future meeting. From Account No. 729910 - Dallas Health Science Center Plant Funds Unappropriated Balance, \$145,000 was appropriated to cover the estimated total project cost.

27. Dallas Health Science Center (Dallas Medical School) - Fred F. Florence Memorial Library and Biomedical Information Center: Approval of Preliminary Plans and Specifications for Faculty Center Therein. --It was reported that in accordance with authorization on April 24, 1973, the firm of The Oglesby Group, Inc., Dallas, Texas, had prepared the preliminary plans and specifications for the construction of the Faculty Center within the Fred F. Florence Memorial Library and Biomedical Information Center at the Dallas Medical School of The University of Texas Health Science Center at Dallas.

Upon the recommendation of President Sprague and System Administration, these preliminary plans and outline specifications for the Faculty Center were approved at an estimated total project cost of \$310,000, which has been previously appropriated. The Project Architect was authorized to prepare final plans and specifications to be presented to the Board of Regents for consideration at a future meeting.

28. Dallas Health Science Center (Dallas Medical School): Waiver of Regents' Rules and Regulations, Part One, Chapter VIII, Section 1; Naming of Buildings: (a) Eugene McDermott Academic Administration Building (Formerly the Academic and Administration Building), (b) Tom and Lula Gooch Auditorium (Formerly the Auditorium and Cafeteria), (c) Cecil H. and Ida Green Science Lecture Building (Formerly the Basic Science Teaching Unit and Four Lecture Rooms), and (d) Harry S. Moss Clinical Science Building (Presently the New Clinical Sciences Building); and Changing Name of the Fred F. Florence Memorial Library and Biomedical Information Center to the Fred F. Florence Bioinformation Center. --The following buildings now under construction for the Dallas Medical School of The University of Texas Health Science Center at Dallas were named as follows:

Eugene McDermott Academic Administration Building
(formerly the Academic and Administration Building of Phase I)

Tom and Lula Gooch Auditorium (formerly the Auditorium and Cafeteria of Phase I)

Cecil H. and Ida Green Science Building (formerly the Basic Science Teaching Unit and Four Lecture Rooms of Phase I)

Harry S. Moss Clinical Science Building (presently the new Clinical Sciences Building)

It was further authorized that the name of the Fred F. Florence Memorial Library and Biomedical Information Center be changed to the Fred F. Florence Bioinformation Center.

29. Galveston Medical Branch (Galveston Hospitals) - Additions to John Sealy Hospital: Report of Committee to Award Contract and Ratification of Award to Thomas Construction Company, Inc., of Missouri, St. Joseph, Missouri. --The Special Committee appointed at the meeting of the Board of Regents held on October 26, 1973, to award a contract within the authorized funds of \$30,000,000 for the Additions to the John Sealy Hospital at The University of Texas Medical Branch at Galveston reported that it had awarded a contract to the low bidder, Thomas Construction Company, Inc., of Missouri, St. Joseph, Missouri, as follows:

Base Bid	\$28,279,000
Add Alternates:	
No. 2C (Provide Trans-Vac Pneumatic Trash System)	350,500
No. 3 (Provide Level 12 Administrative Penthouse)	370,000
No. 4 (Provide Passenger Elevator No. 11)	65,000
No. 5 (Provide Passenger Elevator No. 1)	65,000
No. 7 (Provide Vacuum Cleaning System)	\$ 133,900
Total Contract Award	<u>\$29,263,400</u>

The Buildings and Grounds Committee ratified the action of the Special Committee.

30. Galveston Medical Branch (Galveston Hospitals) - John Sealy Hospital: Authorization to Remodel; Appointment of Page, Southerland, and Page, Houston, Texas, Project Architect, to be Associated with Ray S. Burns, Houston, Texas, Mechanical Engineer; Authorization to Prepare Preliminary Plans and Specifications; and Appropriation Therefor. --Following the ratification of the award of the contract for the Additions to the John Sealy Hospital of The University of Texas Medical Branch at Galveston, the Committee authorized the necessary remodeling of the existing John Sealy Hospital, including the Children's Hospital, to house ancillary services and clinical departments to support the new facilities.

For this project, the Committee:

- a. Appointed Page, Southerland, and Page, Houston, Texas, Project Architect, to be associated with Ray S. Burns, Houston, Texas, Mechanical Engineer, with authorization to prepare preliminary plans and specifications and cost estimates to be brought to the Board of Regents for consideration at a future meeting.
- b. Appropriated \$50,000 from Medical Branch Unexpended Plant Funds Project Allocation Account for fees and miscellaneous expenses through the preliminary plan stage.

31. Galveston Medical Branch - Gail Borden Building: Award of Contract to John Gray Company, Inc., Galveston, Texas, for Remodeling and Renovation, and Additional Appropriation; Space for President Emeritus. --For the remodeling of the Gail Borden Building at the Galveston Medical Branch, a construction contract was awarded to the low bidder, John Gray Company, Inc., Galveston, Texas, as follows:

Base Bid	\$ 794,967
Add Alternate No. 1 (Remove Existing Casework)	<u>33,729</u>
Total Contract Award	\$ <u>828,696</u>

It was noted that an analysis of the bidding on this remodeling project indicated a close competition among the six bidders and that the bid prices exceeded the final construction estimate, reflecting increased prices of materials.

Previously the estimated project cost was \$750,000 for which funds had already been appropriated. This estimate was increased to \$922,000 to cover this construction contract award, movable furnishings and equipment, air balancing, fees and miscellaneous expenses; and additional funds in the amount of \$172,000 were appropriated from the following sources to cover the increased project cost:

Galveston Medical Branch - Central Water Chilling Plant Proceeds of Sale	\$ 130,000
---	------------

Galveston Medical Branch - Unallocated Time Deposit Interest Earned on Proceeds from Sale of Central Water Chilling Plant	\$ 42,000
---	-----------

This project provides for approximately 66,800 gross square feet of facilities for campus-wide classrooms, medical illustration, medical engineering and space for the Office of the President Emeritus.

32. University Cancer Center (M. D. Anderson) - Environmental Science Park at Smithville: Ratification of Award of Contract to Austin Engineering Company, Austin, Texas, for Sewage Treatment Facility. --The Special Committee appointed at the meeting of the Board of Regents held on October 26, 1973, to award a contract within the authorized funds for the Sewage Treatment Facility at the Environmental Science Park at Smithville (in some instances has been referred to "at Bastrop") of The University of Texas System Cancer Center reported that it had awarded a contract to the low bidder, Austin Engineering Company, Austin, Texas, as follows:

Austin Engineering Company Austin, Texas	\$164,500
---	-----------

The Buildings and Grounds Committee ratified the action of the Special Committee.

2-01-74

REPORT OF MEDICAL AFFAIRS COMMITTEE (PAGES 38-48). -- Committee Chairman Nelson filed the following Report of the Medical Affairs Committee and moved that it be approved. The motion was seconded and unanimously prevailed:

Committee Chairman Nelson opened the meeting of the Medical Affairs Committee by extending on behalf of the Board of Regents to Dr. John V. Olson, who has been the Acting President of The University of Texas Health Science Center at Houston since its organization, a vote of thanks and gratitude for his dedicated service in that capacity.

1. Dallas Health Science Center (Dallas Medical School): Amendments to Bylaws of Medical Service, Research and Development Plan (MSRDP) Withdrawn. -- Committee Chairman Nelson asked that the proposed amendments to the Bylaws of the Medical Service, Research and Development Plan (MSRDP) at the Dallas Medical School of The University of Texas Health Science Center at Dallas be withdrawn until the final rules and regulations for the MSRDP which are under consideration have been finally developed. He reported that there had been granted an extension of one year relating to the implementation of PL 92-603 and that thereafter the Medical Service, Research and Development Plan will probably need to be revised. Committee Chairman Nelson thought that there was no urgency in these amendments to the Bylaws since the Administration had presented a revision in April 1973.

2. Dallas Health Science Center, Galveston Medical Branch, Houston Health Science Center and San Antonio Health Science Center: Policy Relating to Payment of Residents by Teaching Hospitals or U. T. System Medical Foundation for Teaching Activities in Undergraduate Medical Education Withdrawn Except for Houston Health Science Center. -- Upon recommendation of Committee Chairman Nelson, and after a determination that there would be no problems in the health professional schools other than the Houston Health Science Center relating to the payment of residents and other house staff in teaching hospitals, the proposed policy relating to payment of residents by teaching hospitals or U. T. System Medical Foundation for teaching activities in undergraduate medical education was withdrawn except for the Houston Health Science Center. The policy for that institution was adopted as follows:

The Houston Health Science Center may compensate selected residents employed by hospitals or the U. T. System Medical Foundation (a nonprofit corporation established September 25, 1973, Page 54 of the Regents' Minutes of October 26, 1973) for those teaching services rendered undergraduate students of the health professional school. However, such compensation to a resident for such teaching services shall be in addition to and not in lieu of the resident's annual compensation from the hospital or the U. T. System Medical Foundation and shall not exceed one-third of such annual compensation.

3. Galveston Medical Branch (Galveston Medical School): Dr. Hamilton F. Ford Named Ashbel Smith Professor of Psychiatry. --Upon the recommendation of President Blocker, concurred in by Chancellor LeMaistre, Dr. Hamilton F. Ford, Professor and Chairman of the Department of Psychiatry at the Galveston Medical School of The University of Texas Medical Branch at Galveston, was named Ashbel Smith Professor of Psychiatry effective September 1, 1974.
4. San Antonio Health Science Center (San Antonio Medical School): Appointment of Dr. Charles L. Bowden to Nancy Ullman Karren Chair in Psychiatry. --Upon recommendation of President Harrison, concurred in by Chancellor LeMaistre, Dr. Charles L. Bowden, presently Associate Professor of Psychiatry at the San Antonio Medical School, was appointed to the Nancy Ullman Karren Chair in Psychiatry at the San Antonio Medical School of The University of Texas Health Science Center at San Antonio effective immediately. This Chair was established on even date (Page 31).
5. San Antonio Health Science Center (San Antonio Dental School): Approval of Affiliation Agreement with The Texas Department of Corrections. --Approval was given to the Affiliation Agreement as set out below (Pages 39-41) between the Board of Regents of The University of Texas System on behalf of the San Antonio Dental School of The University of Texas Health Science Center at San Antonio and The Texas Department of Corrections. The Chairman of the Board of Regents was authorized to execute this agreement when it has been approved as to form by a University attorney and as to content by the Deputy Chancellor for Administration and the Assistant to the Chancellor for Health Affairs.

This agreement will permit the dental students to practice dentistry under supervision in The Texas Department of Corrections.

AFFILIATION AGREEMENT

THE STATE OF TEXAS I
COUNTY OF WALKER I

This AGREEMENT is executed on _____, 1973,

between the BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM,
for and on behalf of The University of Texas Dental School at San Antonio,
hereinafter sometimes referred to as "Dental School" in this agreement,
and THE TEXAS DEPARTMENT OF CORRECTIONS, hereinafter sometimes referred to
as "Facility" in this agreement,

WITNESSETH:

WHEREAS, it is agreed by the parties to be of mutual interest and

2-01-74

advantage that the students of the Dental School be given the opportunity to utilize the Facility for educational purposes:

NOW, THEREFORE, for and in consideration of the foregoing, and in further consideration of the mutual benefits, the parties to this agreement agree as follows:

- (1) The Facility will permit students of the Dental School to practice dentistry under the direct supervision and responsibility of the faculty of the Dental School.
- (2) The number and distribution of students between the divisions of the Facility will be mutually agreed upon between the Dental School and the Facility at the beginning of each semester.
- (3) The period of assignment shall be during regular Dental School academic sessions.
- (4) The Dental School will provide the Facility with the names of the students who are entitled to use the resources of the Facility under the terms of this agreement.
- (5) Representatives of the Dental School and the Facility shall meet as often as necessary to study the Dental program and terms of this agreement and make such suggestions and changes as are needed.
- (6) Dental School students will be subject to the rules and regulations established by the Facility for individual assignments:
 - (A) the Facility will charge the Dental School no fees for dental practice opportunity afforded students;
 - (B) students will be responsible for their own transportation to and from the Facility;
 - (C) The Facility assumes no responsibility for the students' health needs while in the performance of this agreement; and
 - (D) the Facility will not be charged for services performed by Dental School personnel or students.
- (7) Only insofar as it is authorized by law to do so, the Dental School agrees to hold the Facility harmless from and against any and all liability for personal injury, including injury resulting in death, or damage to property, or both, resulting directly or indirectly from the use by the Dental School of the Facility, and agrees to reimburse the

2-01-74

Facility for all reasonable expenses, including attorney's fees, incurred by the Facility in defending any such claim or claims.

(8) The Dental School agrees that members of its faculty will serve as consultants and on committees of the Facility when requested by the Facility.

(9) The Facility further agrees to the following:

(A) to maintain the criteria for accreditation as established by the Council on Dental Education of The American Dental Association; and

(B) to provide meals and lodging for the dental students during their assignment at the Facility.

(10) This agreement is for a term of one year, and thereafter from year to year unless terminated by either party upon giving six months' advance written notice to the other party by certified mail.

EXECUTED by the parties on the day and year first above written.

6. San Antonio Health Science Center and U. T. San Antonio: Approval of Affiliation Agreement Among the Board of Regents of The University of Texas System, Board of Governors of Southwest Foundation for Research and Education, and Board of Governors of the Southwest Research Institute to Replace Current Affiliation Agreement between the San Antonio Medical School and San Antonio Dental School and the Board of Governors of Southwest Foundation for Research and Education. --On behalf of the San Antonio Medical School and the San Antonio Dental School of The University of Texas Health Science Center at San Antonio, there exists an Affiliation Agreement between the Board of Regents of The University of Texas System and the Board of Governors of Southwest Foundation for Research and Education. To replace that Affiliation Agreement and to include The University of Texas at San Antonio and the Board of Governors of the Southwest Research Institute, the Affiliation Agreement among these four institutions (Board of Regents of The University of Texas System on behalf of The University of Texas Health Science Center at San Antonio and The University of Texas at San Antonio, the Board of Governors of Southwest Foundation for Research and Education and the Board of Governors of the Southwest Research Institute) as set out below (Pages 42-48) was approved.

The Chairman of the Board of Regents was authorized to execute the agreement when it has been approved as to form by a University attorney and as to content by the Deputy Chancellor for Administration, the Assistant to the Chancellor for Health Affairs and the Assistant to the Chancellor for Academic Affairs. The Board of Governors of Southwest Foundation for Research and Education approved this Affiliation Agreement on January 17, 1974, and the Board of Governors of the Southwest Research Institute approved it on January 22, 1974.

AFFILIATION AGREEMENT

THE STATE OF TEXAS I

COUNTY OF BEXAR I

This AGREEMENT is executed on _____, 1974,
by and between the BOARD OF REGENTS OF THE UNIVERSITY OF TEXAS SYSTEM, for
and on behalf of The University of Texas Health Science Center at San Antonio
and The University of Texas at San Antonio, referred to as "University of
Texas Schools" in this agreement, the BOARD OF GOVERNORS OF SOUTHWEST FOUNDA-
TION FOR RESEARCH AND EDUCATION, for and on behalf of Southwest Foundation
for Research and Education of San Antonio, Texas, referred to as "Foundation"
in this agreement, and the BOARD OF DIRECTORS OF SOUTHWEST RESEARCH INSTITUTE,
for and on behalf of Southwest Research Institute of San Antonio, Texas,
referred to as "Institute" in this agreement, WITNESSETH:

2-01-74

WHEREAS, the scientific staff of the Foundation and Institute are engaged in basic research and have laboratories, equipment, and facilities for maintaining experimental animals which complement those of the University of Texas Schools; and

WHEREAS, the faculty of the University of Texas Schools are similarly engaged in basic research and have facilities and equipment for conducting such research and are also engaged in research on clinical problems and have facilities therefor which the Foundation and Institute lack; and

WHEREAS, the University of Texas Schools are engaged in graduate education to which the Foundation and Institute could contribute both staff and facilities; and

WHEREAS, all parties are agreed that it would be mutually profitable to enter into an agreement of affiliation to promote increased cooperation between their respective staffs;

NOW, THEREFORE, with these objectives in mind and with an intent to develop expanded research programs and graduate education programs and to pursue this goal jointly to the extent consistent with the interests of each institution, the University of Texas Schools, the Foundation, and the Institute hereby agree as follows:

(1) PURPOSE OF AFFILIATION

The purpose of this agreement is to establish a broad framework of institutional policies to facilitate cooperation between the University of Texas Schools, the Foundation, and the Institute. It is agreed that the initiative for establishing any working relationships will be vested in the respective several departments, divisions, or other operating units of the University of Texas Schools, and the Presidents or their delegates respectively of the Foundation and the Institute. It is further understood that the individual departments, divisions, or other operating units of the University of Texas Schools, and the Presidents or their delegates respectively of the Foundation and the Institute may or may not establish affiliations, depending upon their needs and circumstances.

2-01-74

(2) PROVISION FOR FACULTY APPOINTMENTS FOR FOUNDATION AND INSTITUTE STAFF MEMBERS

All parties agree that academic status is an added inducement to attract well-qualified scientists for research positions at the Foundation and Institute, and that academic appointments made by the University of Texas Schools for individuals in key positions at the Foundation or Institute should include reasonable assurances of continuation of employment by the Foundation or Institute. Such academic appointments, subject to the provisions of Article (7) below, will be nominated by the Foundation, the Institute, or the University of Texas Schools and will be granted after mutual agreement on an individual basis, subject to the approval of the person to be appointed by the appropriate University of Texas Schools and satisfactory arrangements covering the financial obligations accompanying all appointments in this category. The financing alternatives with respect to appointments in this category are:

(a) Guarantee by the Foundation or Institute of future salary costs for appointments made by the University of Texas Schools

If the Foundation or the Institute, as the case may be, so elects, under a contract negotiated and entered into between the individual scientist to be appointed and the Foundation or Institute, with the approval of the appropriate University of Texas School, the Foundation or Institute will agree to pay to the appropriate University of Texas School that portion or all of such scientist's salary plus appropriate fringe benefits for the position authorized in accordance with the terms of the contract as is mutually determined by the appropriate University of Texas School and the Foundation or the Institute, as the case may be, to be equitable. These payments will continue as long as the University of Texas School is required to maintain such scientist, but not to exceed the term of the contract between the parties.

(b) Other Foundation and Institute Staff with Faculty Appointment with or without partial compensation from the University of Texas Schools

Prior mutual agreement between the Foundation or the Insti-

' 2-01-74

tute respectively and the appropriate University of Texas School will be required for appointment in a University of Texas School of staff members of the Foundation or the Institute other than those appointed and financed under Article (2)(a) above, with definition of faculty title, duties, amount and source of compensation (if any), tenure, and term of appointment, which shall be for one year unless otherwise agreed upon.

(3) SUPPLEMENTAL COMPENSATION ARRANGEMENTS FOR FULL-TIME FACULTY

Scientists with academic appointments employed full time by the University of Texas Health Science Center and based at the Foundation or Institute will be subject to The University of Texas Health Science Center Medical Service Research and Development Plan rules and regulations.

(4) JOINT SPONSORSHIP OF RESEARCH ACTIVITIES

In order that the Foundation, the Institute, and the University of Texas Schools may pursue research jointly, the Foundation or Institute will provide research facilities both for scientists appointed under Article (2) above who are based at the Foundation or Institute and, by written agreement in each instance, for other faculty members of the University of Texas Schools. Research projects at the Foundation or Institute may be jointly sponsored by the Foundation or Institute and the University of Texas Schools under appropriate contracts. In such cases, the extent of the responsibility of each institution in the administration and disposition of research funds, provision for staff and facilities, and ownership of equipment purchased with research funds will be clearly stated in writing.

(5) GRADUATE DEGREE PROGRAMS

All parties agree that graduate education is an interest held in common, and in the development and execution of such programs, the Rules and Regulations of the Board of Regents of The University of Texas System for Graduate Education shall govern all faculty and student activities.

(6) PROVISION FOR REVIEW

All parties agree that a productive and harmonious relationship between the institutions depends upon maintaining effective channels of communication. The parties anticipate that routine matters will be handled and de-

2-01-74

cided by mutual agreement through continuous contact at the department, division, or operating unit level subject to review and approval by the Presidents or their delegates respectively of the Foundation or the Institute, as the case may be. At least annually, and more frequently if necessary or desirable, a committee comprised of at least the administrative heads of the Foundation, the Institute, and the University of Texas Schools and the administrative heads of the graduate programs of the University of Texas Schools shall meet to review and discuss overall relationships, all agreements, policies, and other matters of common concern.

(7) JURISDICTIONAL POWERS AND APPOINTMENTS WITH CONCURRENT ACADEMIC TITLE

It is agreed that the Southwest Foundation for Research and Education Board of Governors, acting for its institution, and the Southwest Research Institute Board of Directors, acting for its institution, shall retain all powers and rights incident to ownership and operation as separate entities. Appointments to the staff of the Foundation or Institute, which carry academic title in the University of Texas Schools, shall be made in accordance with the by-laws and official acts of the Foundation's Board of Governors and the Institute's Board of Directors, as the case may be. Such appointments shall come on recommendations of the appropriate University of Texas Schools after due consultation with the Foundation's or Institute's Presidents or their delegates, respectively. Appointment to the Foundation's or Institute's staff is not contingent upon a concurrent academic appointment. It is agreed also that this agreement shall not be construed as creating a partnership.

(8) HOLD HARMLESS

Only insofar as they are authorized by law to do so, the University of Texas Schools agree to hold the Foundation or Institute harmless from and against any and all liability for personal injury, including injury resulting in death, or damage to property, or both, resulting directly or

2-01-74

indirectly from the use by the University of Texas Schools of the Foundation or Institute facilities, and agree to reimburse the Foundation or Institute for all reasonable expenses, including attorney's fees, incurred by the Foundation or Institute in defending any such claim or claims.

(9) MODIFICATION OF AGREEMENT AND TERMINATION

If any aspect of this agreement becomes unsatisfactory to any party, a joint committee of appointed representatives of all party institutions shall be responsible for discussing and resolving questions involved. If a change in the agreement is necessary or desirable, the committee shall make recommendations to the appropriate authorities at each institution. If problems develop that are serious, and that cannot be resolved, any party hereto shall have the right to terminate this agreement upon not less than six months' written notice to each of the others. The effective date of such termination shall be mutually agreed upon with adequate time allowed each institution to make necessary arrangements for an orderly transition. In the absence of such an agreement, however, the effective date of such termination shall be six months after the receipt by both of the others of such written notice.

(10) TERM OF AGREEMENT

This agreement shall be for a term of ten years from and after the date of execution unless sooner terminated as hereinabove provided or by mutual consent of all parties. It may also be extended or amended to include such provisions as all parties may agree upon.

(11) CANCELLATION

This agreement supersedes and cancels that certain agreement, dated August 3, 1972, by and between the Board of Regents of The University of Texas System for and on behalf of The University of Texas Medical and Dental Schools, San Antonio, Texas, and the Board of Governors of Southwest Foundation for Research and Education, San Antonio, Texas, and the same shall be of no further force and effect.

(12) CAPTIONS

All captions in this agreement are for convenience only and shall not be interpreted as having any meaning of substance.

EXECUTED by the parties on the day and year first above written.

REPORT OF BOARD FOR LEASE OF UNIVERSITY LANDS. --Regent Garrett, Vice-Chairman of the Board for Lease of University Lands, filed the following report:

The Board for Lease of University Lands had its third largest sale of oil and gas leases in history, and the biggest since 1956 on December 12, 1973, in the Commodore Perry Building. The oil and gas companies paid \$11,124,800 for 84,003 acres. Five companies (HNG Oil Company, Northern Natural Gas, Ralph Lowe Estate, Phillips, and Gulf) spent in excess of one million dollars each and paid a combined total of \$6,716,000.

The 62nd sale reflected the new high prices brought on by the energy crunch, in that per acre prices in the hot areas were about three times higher than in the April 1973 sale. A new all-time record for wildcat acreage of \$2,029 per acre was also established. Two sections in the deep gas trend leased for more than one million dollars each.

At the conclusion of the oil and gas lease sale, a sale of sulphur leases was held by the Board of Regents. Only one bid was tendered, that by Texasgulf, Inc., for \$1,152,222.22. That price was about what was expected.

Both sales added \$12,277,022.22 to the Permanent University Fund.

At the Board for Lease meeting on the same day, three one-section pooling agreements were approved, with the proviso that the operators agree to incorporate into the agreements an option for the University to take its royalty gas in kind.

REPORT OF LAND AND INVESTMENT COMMITTEE (Pages 49-61). -- Committee Chairman Garrett filed the following Report of the Land and Investment Committee with the Secretary and moved that the report be adopted. The motion was seconded and unanimously prevailed.

Though the Chairman of the Board of Regents has authority to execute any document authorized by the Board, either the Associate Deputy Chancellor for Investments, Trusts and Lands or the Deputy Chancellor for Administration may execute, unless otherwise indicated in the report, all necessary instruments authorized in this report that relate to real estate or mineral interests held or controlled by the Board of Regents as a part of the Permanent University Fund or as a part of any Trust or Special Fund when each has been approved as to form by a University attorney and as to content by an appropriate official.

2. PUF: Tentative Approval of Recommendation with Respect to Seller-Servicer Agreement with Medical Center Bank, Houston, Texas, and Universal Capital Mortgage Company, Houston, Texas. --The Associate Deputy Chancellor for Investments, Trusts and Lands recommended that the seller-servicer agreement with the Medical Center Bank of Houston, Texas, be cancelled and that a seller-servicer agreement be authorized with the Universal Capital Mortgage Company, Houston, Texas. Associate Deputy Chancellor Lobb explained that the Medical Center Bank had "spun-off" its Mortgage Division and created the Universal Capital Mortgage Company and that 44 percent of the ownership of this new company is to be offered to the stockholders of Medical Center Bank on a rights' offer. The other 56 percent will be offered to a group of new investors.

Subject to a full and satisfactory investigation of the new company by Associate Deputy Chancellor Lobb, tentative approval was given to the recommendation upon motion of Regent Shivers, duly seconded. (Mr. Lobb has reported to the Secretary since the meeting that he will report fully on the details of this at the March 1974 meeting.)

RECESS. --The Land and Investment Committee recessed and immediately reconvened as the Board of Regents to hear Senator Peyton McKnight with respect to oil royalty on University Lands. The minute order regarding his statement is set out on Page 168.

Immediately after Senator McKnight's presentation, the Land and Investment Committee reconvened and on Pages 53 - 61 is the remainder of the report.

II. TRUST AND SPECIAL FUNDS

A. GIFT, BEQUEST AND ESTATE MATTERS

1. U. T. Austin: Establishment of W. A. (Bill) Cunningham Professorship in Engineering. --Approval was given to establish in accordance with Regental policies the W. A. (Bill) Cunningham Professorship in Engineering at The University of Texas at Austin. This professorship is to be funded by moneys from the College of Engineering Foundation.

System Administration reported that \$75,000 of the \$100,000 minimum is available and that there are pledges for this purpose sufficient to fund the minimum of \$100,000 by September 1, 1974.

2. Dallas Health Science Center (Dallas Medical School): Acceptance of Gift from Cecil H. and Ida M. Green and Establishment of Endowed Chair of Reproductive Biology and Designation of Cecil H. and Ida Green Center for Reproductive Biology Sciences. -- From Cecil H. and Ida M. Green, the following letter agreement covering a gift of \$600,000 to the Board of Regents of The University of Texas System for the benefit of the Center for Reproductive Biology Sciences of The University of Texas Southwestern Medical School at Dallas was accepted upon the terms, provisions and conditions outlined therein. It was ordered that a Chair in Reproductive Biology be established in Reproductive Biology Sciences and that the Center be designated the Cecil H. and Ida Green Center for Reproductive Biology Sciences. The Chairman of the Board of Regents was authorized to execute the letter agreement from Cecil H. and Ida M. Green as outlined below:

CECIL H. GREEN
13500 NORTH CENTRAL EXPRESSWAY
P. O. BOX 9474
DALLAS, TEXAS 75222

December 20, 1973

Dr. Charles C. Sprague, President
The University of Texas
Health Science Center at Dallas
5323 Harry Hines Boulevard
Dallas, Texas 75235

Dear Dr. Sprague:

We hereby irrevocably pledge and commit ourselves to make a gift to The University of Texas System ("System") for the exclusive use and benefit of the Center for Reproductive Biology Sciences (the "Center") of The University of Texas Southwestern Medical School at Dallas (the "Medical School") upon the provisions set out below. For this purpose, we propose that the gift be accomplished by transfers to the name of the Board of Regents of The University of Texas System ("Regents") who, with their successors in office, are authorized by law, as a Board, to accept and administer gifts, grants or donations for use by the System or any of the component institutions of the System.

The gift (which with its proceeds and mutations is hereinafter called the "fund") will consist of marketable securities having an aggregate cash value of not less than \$600,000.00 on the dates of delivery of the securities for transfers to the Regents. The gift may be made in four installments of approximately equal value on delivery date, one of which is deliverable in any of 1974, 1975, 1976 and 1977, or such earlier dates as we may elect. Income from the corpus of the fund in excess of the original value at the time(s) of delivery of the gift may be used for the purpose of the gift.

The purpose of the gift is to provide a fund for an endowed prestige chair for the study at the Center of reproductive biology sciences, to be occupied by an eminent teacher-scholar who will enhance, enrich, stimulate and advance such field of study and contribute to knowledge and understanding in it to the end that the knowledge of this subject gained in the Center may be utilized in the training of physicians and to broaden the fields of endeavor of the Medical School. The person holding this chair may, at the time of appointment, then be on, or may be recruited to be, a member of the faculty of the Medical School, and will be selected from time to time by the Regents, who will be authorized in its discretion to remove, change or replace the holder of the chair pursuant to the rules and regulations of the System then in effect. Each appointment to the chair will be reviewed and approved in accordance with established academic policies and procedures of the System as they may exist from time to time, and the Regents will have the sole discretion with respect to the qualifications of each appointee and the duration of each appointment.

Income from the fund and principal in excess of its original value at the time(s) of delivery may also be used for the expenses of the administration of the fund and for supplementation of the salary and for other professional support of the holder of the chair, including assistance in his research; and the Regents may, in its discretion, add to or retain in the fund any such income or excess in value of corpus not considered necessary for the above purposes, or use any such income or excess for any other purpose deemed by the Regents to be advantageous to research in or study of the reproductive biology sciences at the Center, or for any other purposes deemed by the Regents to be advantageous to the Center, including, but not limited to, the support or participation in support of another chair or chairs at the Center, or any other purposes connected with the study of the reproductive biology sciences.

It is a condition of this gift that the income from the fund and the corpus of the fund in excess of original value at the time(s) of gift shall be used to supplement but never to supplant the funds, if any, regularly budgeted for said field, or the Center, or the Medical School, or the System, or any part thereof. It is recognized that the purpose of this gift would be defeated if by act of the government of the State of Texas or other legislative or administrative or governmental body, the Regents or the System or any part thereof, any of the Fund should be used or employed to supplant instead of supplementing the funds, if any, which would normally be budgeted for said chair, or for the incidental expenses referred to above, or for the Center or the Medical School. This

gift is to be made upon the condition that if such action by the State of Texas or other legislative or governmental body, or the Regents or the System, or any part thereof, occurs or is attempted, the Regents shall withhold the expenditure of further uncommitted monies from the fund until there is compliance with the conditions of this gift.

The Regents shall have the following authority and powers with respect to the fund in addition to those hereinabove granted by this letter or by law:

- (a) The Regents is empowered to administer the fund in accordance with such uniform rules and regulations as it may from time to time adopt, regardless of whether said rules and regulations contain a specific reference to the fund; or the Regents may administer the fund in such manner as in its sole discretion it deems best, whether in accordance with uniform rules and regulations or not;
- (b) The Regents shall have full and complete power and authority to determine and allocate income and other receipts as well as expenses between principal and income, if and to the extent that the Regents deems such allocation advisable in connection with the administration of the fund;
- (c) To the extent that any such requirements can be legally waived, neither the Regents nor its members shall ever be required to give any bond in connection with the administration of the fund;
- (d) The Regents may acquire or retain any property or create, acquire or retain undivided interests in property for or belonging to the fund, regardless of its non-productivity, or risk or lack of diversification, and without responsibility for production of income or increment to capital;
- (d) The Regents may hold in its name or in the name or names of its nominee or nominees, manage, control, exchange, partition, retain, lease, sell, alienate, mortgage, pledge, administer, or otherwise deal with the fund or any part or parts thereof, and invest and reinvest the investments of any kind of the fund or any part or parts thereof in any property or undivided interests in property of any kind, including common trust funds, all on such terms and for such considerations as the Regents deems proper, without being limited by any statute or rule of law concerning investments by trustees or by public or educational or charitable institutions or other limitations of any kind. The Regents is specifically empowered to employ investment counsel in connection with the fund, or a manager thereof, and to delegate to it or him

2-01-74

power in behalf of the fund to select, buy, hold and sell investments, and also to transfer or sell assets to common trust funds in return for cash, other assets or participations in such funds.

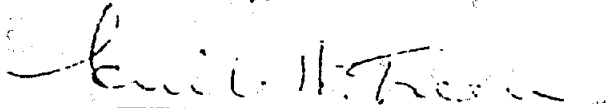

The members of the Regents, in the administration of the fund, shall be liable only for their own gross negligence or willful misconduct.

In the administration of the fund, the Regents may act by a quorum or a majority of all its members.

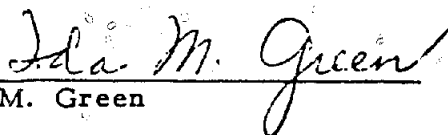

None of the fund shall ever be or become a part of the Permanent University Fund or of income therefrom, nor shall the legislature of the State of Texas have power or be in anywise authorized to change the purpose of the fund or to divert it from the purpose herein set out.

This letter is being signed in quadruplicate originals, and if this gift is acceptable to the Regents upon the terms, provisions and conditions set forth in this letter, please have two copies of this letter signed by its Chairman or Vice Chairman on behalf of the Regents to evidence its acceptance and return two copies to us.

Sincerely,

Cecil H. Green

Ida M. Green

3. San Antonio Health Science Center (San Antonio Medical School): Acceptance of Nancy Ullman Karren Bequest and Establishment of Nancy Ullman Karren Chair in Psychiatry. --Approval was given to accept the bequest of Nancy Ullman Karren in the amount of \$500,000 for the purpose of endowing a chair to be known as the Nancy Ullman Karren Chair in Psychiatry in honor of her grandparents, Henry and Hattie Oppenheimer, at the San Antonio Medical School of The University of Texas Health Science Center at San Antonio.

The Nancy Ullman Karren Chair in Psychiatry in honor of Henry and Hattie Oppenheimer was established. See Page 39 for the initial appointment to this chair.

B. REAL ESTATE MATTERS

4. U. T. Austin: Addie Clark Harding Estate and Maud McCain Harding Fund - Authorization to Sell 541 Acres of Land in Matagorda County, Texas, to George R. Brown. --Authorization was given to sell the surface only of 541 acres out of the Battle Berry and Williams League, Abstract No. 3, Matagorda County, Texas (Addie Clark Harding Estate - Maud McCain Harding Fund) to George R. Brown of Bay City, Texas, for a cash consideration of \$151,500 out of which will be paid the usual closing costs and a 3 percent commission to Mr. E. L. Vaughan, a real estate broker of Bay City, Texas.

Miss Addie Clark Harding bequeathed one-half of her estate to the University of Chicago and one-half to The University of Texas. The governing board of the University of Chicago had concurred in the sale of this 541 acre tract on the terms outlined above.

The Associate Deputy Chancellor for Investments, Trusts and Lands was authorized to execute the contract of sale and a special warranty deed and to take any and all other action necessary to consummate this sale.

5. U. T. Austin - Hogg Foundation - Will C. Hogg Memorial Fund: Authorization for Joinder in Oil and Gas Lease to Nimrod R. Price in Range 15 West, Union County, Arkansas. --Approval was given to join Miss Ima Hogg and Mrs. Alice Nicholson Hanszen in an oil and gas lease to Nimrod R. Price of Smackover, Arkansas, on 35 acres in the NW/4 of the SE/4 of Section 8, Township 16 South, Range 15 West, Union County, Arkansas, for a six months' period at bonus of \$15 per acre and 1/6th royalty. The Hogg Foundation owns 7/64ths of the minerals, and the bonus thereon will be \$57.42.

III. OTHER MATTERS

Report of Securities Transactions for Permanent University Fund and for Trust and Special Funds for the Months of November and December 1973. --The Report of Securities Transactions for Permanent University Fund and for Trust and Special Funds for November and December 1973, submitted by the Office of Investments, Trusts and Lands, was received. It is attached (Attachment No. 2) following Page N-4 of Attachment No. 1 and made a part of these Minutes.

COMMITTEE OF THE WHOLE
(Pages 62-168)

Chairman McNeese presented the items considered in the Committee of the Whole and moved the adoption of the following report. The report was adopted by unanimous vote:

BOARD OF REGENTS - REGENTS' RULES AND REGULATIONS, PART ONE: AMENDMENTS TO (A) CHAPTER II, SECTIONS 2, 3 AND 6 (PERSONNEL) AND (B) CHAPTER III, SECTION 1 (CHEST X-RAYS) AND (C) CHAPTER III, SECTION 6 (TENURE). --Upon motion of Regent Erwin, seconded by Regent Clark, the necessary rules were waived and the following amendments to the Regents' Rules and Regulations were adopted as set out below to be effective immediately:

- (A) Subsection 2.3, Subdivisions 3.15 and 3.16; Subsection 3.3 and its Subdivisions; Subsection 3.4 and its Subdivisions; Subdivision 6.11 of Subsection 6.1 and Subdivision 6.21 of Subsection 6.2 of Chapter II were amended to read as set out below:

2.3 Administrative Officers.

The administrative officers of The University of Texas System are the Assistant to the Chancellor for Academic Affairs; the Assistant to the Chancellor for Health Affairs; the Executive Assistant to the Chancellor; the Assistant to the Chancellor; the Director for Development; the Director for Public Affairs; the Associate Deputy Chancellor for Investments, Trusts and Lands; the Assistant Deputy Chancellor for Operations; the Comptroller; the Director of Facilities Planning and Construction; the Director of the Law Office; the System Personnel Director; the Budget Director; the Director of Accounting; and the Director of Police.

3.15 University Council. The University Council is composed of the Assistant to the Chancellor for Academic Affairs and the chief administrative officers of the general academic institutions of The University of Texas System. The Chancellor shall serve as the Council's permanent chairman and shall conduct regular meetings to review common problems of planning, development, and operation of the several institutions represented.

3.16 Health Affairs Council. The Health Affairs Council is composed of the Assistant to the Chancellor for Health Affairs and the chief administrative officers of the component institutions of The University of Texas System concerned directly with health affairs. The Chancellor acts as the Council's permanent chairman and shall conduct regular meetings to review common problems of planning, development, and operation of the several institutions represented.

2-01-74

3.3 Assistant to the Chancellor for Academic Affairs.

The Assistant to the Chancellor for Academic Affairs (general academic institutions) is an administrative officer of The University of Texas System.

3.31 Subject to delegation by the Chancellor, the Assistant to the Chancellor for Academic Affairs has the general assignment of effective coordination of the general academic institutions. Specifically, he:

3.31(1) Submits to the Chancellor recommendations on The University of Texas System programs in education, research, and public service, including general plans and operations of general academic institutions.

3.31(2) Reviews and makes recommendations on proposals from the general academic institutions requiring action by the Chancellor.

3.31(3) Prepares and submits to the Chancellor long range and immediate academic plans.

3.31(4) Pursuant to governing policies, recommends to the Chancellor and the Deputy Chancellor for Administration upon the annual operating budget requests submitted by each general academic institution (one month prior to review by the Board of Regents).

3.31(5) Recommends to the Chancellor and the Deputy Chancellor for Administration legislative appropriation requests (and policies for the development of such requests) to be submitted by The University of Texas System on behalf of the general academic institutions.

3.31(6) Processes all academic matters for the System institutions, both health and academic, with the Coordinating Board, and coordinates other academic matters directed to the Coordinating Board.

3.32 The Assistant to the Chancellor for Academic Affairs reports to and is responsible to the Chancellor.

3.4 Assistant to the Chancellor for Health Affairs.

The Assistant to the Chancellor for Health Affairs is an administrative officer of The University of Texas System.

3.41 Subject to delegation by the Chancellor, the Assistant to the Chancellor for Health Affairs has the general assignment of effective coordination of those component institutions concerned primarily with health sciences. Specifically, he:

3.41(1) Submits to the Chancellor recommendations on The University of Texas System programs on health science education, research, and public service, including general plans and operations of the biomedical institutions.

3.41(2) Reviews and makes recommendations on proposals from the biomedical institutions requiring action by the Chancellor.

3.41(3) Prepares and submits to the Chancellor long range and immediate academic plans.

3.41(4) Pursuant to governing policies, recommends to the Chancellor and the Deputy Chancellor for Administration upon the annual operating budget requests submitted by each biomedical institution (one month prior to review by the Board of Regents).

2-01-74

- 3.41(5) Recommends to the Chancellor and the Deputy Chancellor for Administration legislative appropriation requests (and policies for the development of such requests) to be submitted by The University of Texas System on behalf of the biomedical institutions.
- 3.42 The Assistant to the Chancellor for Health Affairs reports to and is responsible to the Chancellor.
- 6.11 The Council shall be chaired by the Assistant to the Chancellor for Academic Affairs, and membership shall consist of the Assistant to the Chancellor for Academic Affairs, the Assistant to the Chancellor for Health Affairs, and two persons from each of the following component institutions appointed by the respective chief administrative officers: U. T. Austin, U. T. Dallas, Galveston Medical Branch and San Antonio Health Science Center. Additional U. T. System component institutions may be admitted to membership on the Council by the Chancellor upon demonstration that they have substantive and ongoing programs in marine-related programs. The chairman shall call meetings of the Council as required.
- 6.21 The Council shall be chaired by the Assistant to the Chancellor for Health Affairs, and membership shall consist of the Assistant to the Chancellor for Health Affairs, the Assistant to the Chancellor for Academic Affairs, and one person from each of the following component institutions appointed by the respective chief administrative officers: U. T. Arlington, U. T. Austin, U. T. Dallas, U. T. El Paso, U. T. Permian Basin, U. T. San Antonio, Dallas Health Science Center, Galveston Medical Branch, Houston Health Science Center, San Antonio Health Science Center and System Nursing School. The Chancellor may add other component institutions to the Council as he deems appropriate. The chairman shall call meetings of the Council as required and may appoint such special study committees as are appropriate to the work of the Council.

(B) Subsection 1.7 of Chapter III was amended to read as follows:

- 1.7 Each component institution may require X-rays of the chest for applicants to be employed in regular positions. Employees whose duties will require the handling of food must pass a physical examination indicating fitness for the position for which application is made. The examination may be made at the health service of the component institution at which the applicant will be employed, if such service exists. Reports of physical examinations shall be filed as determined by the institutional head.

(C) Section 6 of Chapter III was amended by changing Subsection 6.2 and Subdivisions 6.21, 6.23, 6.24 and 6.25, Subsection 6.3 and Subdivision 6.35, and Subsection 6.8 to read as set out below and by adding a new Subsection 6.9 and by changing Subdivisions 6.82, 6.81 and 6.9, respectively, to Subdivisions 6.(10), 6.(11) and 6.(12) as set out below:

- 6.2 Tenure denotes a status of continuing appointment as a member of the faculty at a component institution. Only members of the faculty with the academic titles of Professor, Associate Professor, or Assistant Professor may be granted tenure. Tenure may be granted at the time of appointment to any of such academic ranks,

2-01-74

or tenure may be withheld pending satisfactory completion of a probationary period of faculty service, however, such tenure status shall not be applicable to the faculty at The University of Texas of the Permian Basin or The University of Texas System Cancer Center.

The University of Texas of the Permian Basin and The University of Texas System Cancer Center are authorized to award a seven-year term appointment which will denote a status of continuing appointment at that institution as a member of the faculty for a period of seven years. Only members of the faculty with academic titles of Professor, Associate Professor, or Assistant Professor may be granted a seven-year term appointment. A seven-year term appointment may be granted at the time of appointment to any of such academic ranks, or may be withheld pending satisfactory completion of a probationary period of faculty service.

No component institution may adopt or implement a seven-year term appointment policy except The University of Texas of the Permian Basin and The University of Texas System Cancer Center.

- 6.21 Only full-time service in the academic ranks of Professor, Associate Professor, Assistant Professor, and Instructor, or any combination thereof, shall be counted toward fulfillment of a required probationary period related to the acquisition of tenure or a seven-year term appointment. Periods during which a faculty member is on leave of absence shall not be counted toward fulfillment of a required probationary period.
- 6.23 The maximum period of probationary faculty service in nontenured status in any academic rank or combination of academic ranks specified in Section 6.21 shall not be more than seven years of full-time academic service. In the event that a component institution fails to specify the maximum length of probationary service in its Handbook of Operating Procedures, such period shall be seven years. No later than August 31st of the penultimate academic year of the maximum probationary period in effect at any component institution, all nontenured faculty serving in a rank which accrues time toward satisfaction of a probationary period shall be given notice that the subsequent academic year will be the terminal year of employment or that beginning with the subsequent academic year tenure or a seven-year term appointment will be granted. In the event that the employment of a nontenured faculty member is to be terminated prior to the end of the maximum probationary period, notice shall be given in accordance with Section 6.8 below.
- 6.24 For purposes of calculating the period of probationary service, an "academic year" shall be the period from September 1st through the following August 31st. If a faculty member is initially appointed during an academic year, the period of service from the date of appointment until the following September 1st shall not be counted as academic service

toward fulfillment of the maximum probationary period. One year of probationary service is accrued by at least nine months full-time academic service during any academic year. A faculty member shall be considered to be on full-time academic service if he is in full compliance with regental standards pertaining to minimum faculty workloads at general academic institutions or when in compliance with the academic service standard in the Handbook of Operating Procedures of any health related institution.

- 6.25 All faculty appointments are subject to the approval of the Board of Regents. No nontenured member of the faculty should expect continued employment beyond the period of his or her current appointment as approved by the Board of Regents. Any commitment to employ a nontenured member of the faculty beyond the period of his or her current appointment shall have no force and effect until approved by the Board of Regents.
- 6.3 Termination by an institution of the employment of a faculty member who has been granted tenure and of all other faculty members before the expiration of the stated period of their appointment, except by resignation or retirement for age in accordance with these rules, will be only for good cause shown. In each case the issue will be determined by an equitable procedure, affording protection to the rights of the individual and to the interests of The University of Texas System.
- 6.35 Nontenured faculty members who are notified in accordance with Section 6.8 that they will not be reappointed or who are notified in accordance with Section 6.23, 6.8, or 6.9 that the subsequent academic year will be the terminal year of appointment shall not be entitled to a statement of the reasons upon which the decision for such action is based. No hearing to review such a decision shall be held unless the affected faculty member submits in writing to the chief administrative officer of the institution factual allegations that the decision to terminate was based upon the faculty member's exercise of rights guaranteed by the laws or Constitution of this State or the United States and requests an administrative hearing to review these allegations. Such allegations shall be heard under the same procedures as in the case of dismissal for cause, with the following exceptions:
- (1) the burden of proof is upon the affected faculty member to establish at such hearing that the decision in question was based on his exercise of rights guaranteed by the laws or Constitution of this State or the United States;
 - (2) the administration of the institution need not state the reasons for the questioned decision or offer evidence in support thereof unless the affected faculty member presents a prima facie case in support of his allegations.
- 6.8 In the event of decision not to reappoint a nontenured faculty member, written notice will be given him or her not later than March 1st of the first academic year of probationary service if the appointment expires at the end of that academic year, or not later than December 15th of the second academic year of probationary service if the appointment expires at the end of that academic year. After

two or more academic years written notice shall be given not later than August 31st that the subsequent year will be the terminal academic year of appointment. The notice required by this Section is not applicable where termination of employment is for good cause under Section 6.3 above.

- 6.9 A faculty member serving a seven-year term appointment shall be given notice not later than August 31st of the sixth academic year of such appointment period that the subsequent academic year will be the terminal year of employment or that, subject to the approval of the Board of Regents, at the conclusion of the subsequent academic year he or she will be reappointed to a seven-year term appointment.
6. (10) Reappointment of nontenured members of the faculty to a succeeding academic year, reappointment of members of the faculty who are serving a seven-year term appointment to a succeeding seven-year term appointment, or the award of tenure or a seven-year term appointment, may be accomplished only by notice by the chief administrative officer of a component institution or his delegate with the approval of the Board of Regents. Notwithstanding any provision of Sections 6.23, 6.8, or 6.9 to the contrary, no person shall be deemed to have been reappointed or to have been awarded tenure or a seven-year appointment because notice is not given or received by the time prescribed in Sections 6.23, 6.8, or 6.9 or in the manner prescribed in Section 6. (11). Should it occur that no notice is received by the time prescribed in Sections 6.23, 6.8 or 6.9, it is the duty of the academic employee concerned to make inquiry to determine the decision of the chief administrative officer of a component institution, who shall without delay give the required notice to the academic employee.
6. (11) Each faculty member shall keep the chief administrative officer of the component institution or his delegate notified of his current mailing address. The written notice required by Sections 6.23, 6.8, or 6.9 shall be sent by certified mail, return receipt requested, to the last address given by the faculty member.
6. (12) Dismissal or demotion of classified or nonteaching personnel before the expiration of the stated period of appointment will be only for good cause shown, as determined by appropriate administrative officers to whom this responsibility is delegated by the chief administrative officer of the component institution and in case of such dismissal or demotion any appeal shall be reviewed by the chief administrative officer of the component institution.

PUF: REPORT OF SECOND SULPHUR LEASE SALE HELD DECEMBER 12, 1973, AND AWARD OF SULPHUR MINING LEASE NO. 16. -- The following report of the Second Sulphur Lease Sale on Permanent University Fund Lands held December 12, 1973, was received. Upon motion of Vice-Chairman Williams seconded by Regent Garrett, the action therein was ratified. Regent Shivers asked to be shown "present, not voting":

Second Sulphur Lease Sale
December 12, 1973

As authorized by the Board of Regents at its meeting on September 14, 1973, a sealed bid sale of sulphur leases was held at the Commodore Perry Building in Austin at 3:30 p. m. on December 12, 1973. Chairman McNeese at the September 14, 1973, meeting appointed Regent Garrett and Vice-Chairman Williams, members of the Board for Lease of University Lands, to conduct the sale with full authority to receive, accept or reject bids and to award sulphur leases on behalf of the Board of Regents.

The following tracts of land were offered for lease at the Second Sulphur Lease Sale:

Pecos County, Texas

<u>Tract</u>	<u>Block</u>	<u>All of Section</u>	<u>Acres</u>
1	26	1	640.00
	26	2	640.00
	26	3	640.00
	26	4	640.00
	26	11	640.00
	26	12	640.00
	26	13	640.00
	26	14	640.00
	26	15	640.00
	26	22	640.00
	26	23	640.00
	25	6	640.00

Tract Number One, containing Seven Thousand Six Hundred Eighty (7,680) acres, will be bid upon as a unit and will be leased as one single lease. The minimum consideration that will be accepted for Tract Number One will be a cash bonus of One Million Dollars (\$1,000,000).

Vice-Chairman Williams reported that there was only one bid and that bid was accepted and the lease was awarded to Texasgulf Inc., Houston, Texas, in the amount of \$1,152,222.22 covering Tract Number One, Sections 1, 2, 3, 4, 11, 12, 13, 14, 15, 22 and 23 in Block No. 26, and Section 6 of Block 25, Pecos County, Texas. The money has been deposited in the Permanent University Fund in the State Treasury. This lease is Sulphur Mining Lease No. 16 (Sulphur Mining Leases Nos. 1-15 were authorized at the First Sulphur Lease Sale.)

U. T. SYSTEM (SENATE BILL NO. 162, 60TH LEGISLATURE, R. S. 1967): AMENDMENTS TO QUALIFICATIONS FOR COMMISSIONED OFFICERS. --The qualifications for Commissioned Officers for The University of Texas System (Senate Bill No. 162, 60th Legislature, R. S. 1967) were amended to be effective February 1, 1974, in accordance with the recommendation of System Administration that an applicant at the time of commissioning shall have reached his 20th birthday but shall not have reached his 45th birthday.

U. T. ARLINGTON, U. T. DALLAS AND DALLAS MEDICAL SCHOOL - NAME OF NORTH TEXAS REGIONAL COMPUTER CENTER CHANGED TO THE UNIVERSITY OF TEXAS REGIONAL COMPUTER CENTER IN NORTH TEXAS.-- Upon recommendation of President Jordan, President Sprague, Acting President Nedderman and the Board of Directors of the North Texas Regional Computer Center, concurred in by System Administration, the name of the North Texas Regional Computer Center was changed to The University of Texas Regional Computer Center in North Texas. It was noted that this change was made due to the fact that the name North Texas Regional Computer Center was often misunderstood and associated as a facility of North Texas State University.

U. T. AUSTIN: APPROPRIATION FOR SCHOLARSHIP AND GRANT-IN-AID PROGRAM AT U. T. AUSTIN FOR CULTURALLY AND ECONOMICALLY DISADVANTAGED TEXAS HIGH SCHOOL GRADUATES AND AUTHORIZATION TO CHAIRMAN TO APPOINT COMMITTEE TO APPROVE PLAN FOR IMPLEMENTATION BY FEBRUARY 15, 1974; ACHIEVEMENT SCHOLARSHIP PROGRAM APPROVED BY COMMITTEE.-- In the discussion of the proposed appropriation for a Scholarship and Grant-in-Aid Program at The University of Texas at Austin for culturally and economically disadvantaged Texas high school graduates, Chancellor LeMaistre explained that the purpose of the proposed special allocation is "to extend the impact of the Operation Brainpower program to make it possible for culturally and economically disadvantaged students who are highly qualified academically to attend U. T. Austin, and thus diminish the present exodus from the State of significant black and brown brainpower."

Out of this discussion several ideas were expressed, among which was one by Regent Garrett that a plan for administering the scholarships should be developed and then the money appropriated. Chairman McNeese inquired as to what kind of aid there is for the brilliant and impoverished white student and expressed his interest in these being provided for. It was emphasized both by Chancellor LeMaistre and Regent Erwin that time is a critical factor in keeping qualified students in Texas since this is the season they are being selected by out of state institutions.

After a detailed discussion ensued, Regent Shivers moved that the recommendation to appropriate \$400,000 from the Available University Fund, to be expended at the rate of \$100,000 a year, to provide scholarships and grants-in-aid to culturally and economically disadvantaged Texas high school graduates be approved and that a Regental-Administrative committee of which the Chairman of the Board is a member be appointed by the Chairman to approve the scholarship and grant-in-aid plan, which is to be developed by the U. T. Austin Administration, so that it can be implemented no later than February 15, 1974.

It was noted that requests for funds for this type of program pursuant to the Regents' previous authorization to seek support have been repeatedly made in the past by U. T. Austin to the Legislature and to

2-01-74

private foundations without success. The presentation to the Legislature for the next biennium will include another special request for sufficient funds to continue and expand this special program.

Regent Shivers' motion was duly seconded and unanimously approved.

Following adjournment of the meeting and pursuant to the Regents' action, Chairman McNeese appointed the following committee: Chairman McNeese (Chairman of the Committee), Regent Erwin, Chancellor LeMaistre and President Spurr.

The Secretary was notified on February 15, 1974, that the Regental-Administrative Committee named above had approved a scholarship plan and the following statement relating thereto:

The program shall be known as The University of Texas at Austin Achievement Scholarship Program. The scholarships are designed to serve those Texas high school graduates who have demonstrated, or show strong potential for demonstrating, outstanding characteristics of scholarship and leadership in spite of limitations imposed by economic circumstances, geographic isolation, ethnic background, or limited educational opportunity.

The scholarships provide ALL educational expenses of selected students during the course of their baccalaureate degree program at The University of Texas at Austin. All demonstrated financial need will be met for the entire length of the recipient's degree program. During the first year, the assistance will consist solely of scholarship/grant aid. The minimum scholarship grant for any student, regardless of financial need, is \$500 per semester for the period of the award. Special recognition of the unique circumstances of economically disadvantaged students will be given in determining both expenses and potential resources. Continuation of the scholarship is dependent upon satisfactory academic progress.

Scholarship winners will be selected by the President of the University, with the advice of a University committee appointed by the President and with the concurrence of the Regents' committee on the Achievement Scholarship Program.

U. T. AUSTIN - STUDENT BUILDINGS: REMODELING OF UNION WEST (PREVIOUSLY KNOWN AS TEXAS UNION) AND APPROPRIATION THEREFOR; AUTHORIZATION FOR UNION EAST (PREVIOUSLY KNOWN AS STUDENT UNION EAST); ESTABLISHMENT OF CORPORATION FOR MIXED BEVERAGE PERMIT, UNION WEST; FUNDS FOR UNION EAST; REQUEST TO LEGISLATURE TO AMEND TEXAS UNION STATUTE TO PERMIT CONSTRUCTION OF UNION EAST; APPOINTMENT OF JESSEN ASSOCIATES, INC., AUSTIN, TEXAS, ARCHITECT; AD HOC STUDENT-FACULTY BUILDING COMMITTEE, AND POSSIBILITY OF RECREATIONAL AREA IN BRACKENRIDGE TRACT. --In a written review, the Administration, reminded the Board of Regents that with the exception of a small auditorium and a reception area, the present Texas Union West (previously called Texas Union) facility is substantially the same structure that was erected in 1933 when U. T. Austin had a student enrollment of less than 7,000, and the facility is in substantially the same condition as it was when it was first constructed.

2-01-74

Several years ago the Board of Regents committed \$3 million out of the Permanent University Fund to expand the Union facilities in order to better serve the greatly enlarged student body. Unfortunately, for several successive years each incoming student president and Union Board undertook to revise substantially the Union East (previously called Student Union East) architectural program and plans endorsed by the preceding president and Board, until with a sense of frustration the project architects were terminated and paid off, and the project was indefinitely postponed.

The Union Board, Vice-President Brown, President Spurr and Chancellor LeMaistre with respect to the expansion of student services on the campus of The University of Texas at Austin had recommended in writing that:

1. The existing Union West building be remodeled and renovated at a project cost not to exceed \$3 million. (This building was constructed in 1933 and has not been substantially updated since that time.)
2. A new Union East building be constructed at an estimated project cost of \$3 million. (This is a reduction of approximately 50% in the size of the project previously authorized.)
3. A corporation be established (with the directors to be appointed annually by the Board of Regents) to obtain a mixed beverage permit from the Alcoholic Beverage Commission and the approval of all necessary governmental agencies for the serving of alcoholic beverages in designated areas of the Union West building. A beer and wine permit allows the alcoholic beverages to be taken off the premises and to be consumed both on and off the premises. The mixed beverage permit prohibits any alcoholic beverage from being taken off the premises and limits the sale and use of alcoholic beverages to certain enclosed designated areas in the building. (A similar arrangement can be made for the Union East building when it is completed.)
4. Funds in an amount not to exceed \$3 million be appropriated out of Permanent University Fund bond proceeds to cover the cost of remodeling and renovating the Union West building. (This appropriation fulfills a commitment made by the Board of Regents several years ago to improve Texas Union facilities.)
5. \$3 million in Texas Union bonds be sold and the Texas Union fee be established at a level that is presently authorized by statute and that is required to service the bonds and meet the other obligations currently being serviced by the fee. (The Union fee will ultimately provide funds for the construction of the Union East building and for part of the operating funds for both Union West and Union East.)
6. The Legislature be requested to amend the Texas Union statute to permit the construction and operation of the Union East building.
7. An architect be appointed to prepare plans for the renovation and remodeling of the Union West building and the construction of the Union East building.
8. Dr. Spurr be requested to appoint an ad hoc student-faculty building committee to serve as consultants to the U. T. System's Office of Facilities Planning and Construction and to the project

' 2-01-74

architects in connection with the planning and design of the remodeling and renovation of the Union West building and of the construction of the new Union East building.

9. The University administration be authorized and directed to explore the possibility of exchanging (either by sale or long term lease) a small tract of land out of the Brackenridge Tract for a much larger tract of land on Lake Travis owned by the L. C. R. A. in order to provide a large recreational area for student use, which area would be managed by the Texas Union Board.

Chairman McNeese recognized Mr. Frank Fleming of Dallas, a student member of the present Board of Directors of the Texas Union, who reviewed the foregoing recommendations and urged their adoption.

Referring to Item 9, Regent Clark reiterated that he did not want to sell any of the Brackenridge Tract but only wanted long term leases thereon.

After due consideration, these recommendations were approved upon motion of Regent Erwin seconded by Regent Bauerle. Regent Garrett voted "No" only on recommendation No. 3 relating to a permit to serve alcoholic beverages and was in favor of the other propositions.

Upon motion of Regent Shivers, duly seconded, the firm of Jessen Associates, Inc., Austin, Texas, was appointed Architect to prepare the plans for the renovation and remodeling of the Union West building and the construction of the Union East building as set out in Item 7.

U. T. AUSTIN: DISAPPROVAL OF CONTRACT WITH PUBLIC INTEREST RESEARCH CENTER, INC. --With respect to the proposed Agency Agreement between the Board of Regents of The University of Texas System, for and on behalf of The University of Texas at Austin, and Public Interest Research Center, Inc., a nonprofit corporation, that was presented to the Committee in the Material Supporting the Agenda, Mr. James Meadows, a representative of the Young Americans for Freedom, and Dr. Stephen F. Spurr, President of U. T. Austin, appeared in opposition to this Agreement. Both Mr. Meadows and President Spurr presented written requests that the Board of Regents refuse PIRG's request to use the University as a collection agency for PIRG's funds. Mr. Mike Hudson, Executive Director thereof, appeared on behalf of the proposal and presented a written statement.

After hearing all three presentations, Regent Erwin moved that the agreement be approved and that the Chairman of the Board of Regents be authorized to execute it when it has been signed by the appropriate officials of Public Interest Research Center, Inc. Regent (Mrs.) Johnson seconded the motion which was defeated by a vote of two to seven.

U. T. AUSTIN: NEGOTIATIONS REGARDING DISSOLUTION OF WINEDALE FOUNDATION AND TRANSFER OF ASSETS TO U. T. AUSTIN. --President Spurr sought the advice and counsel of the Board of Regents with respect to the Winedale Foundation. He reported that he had suggested the possibility of dissolving the Winedale Foundation and the transfer of its assets to The University of Texas at Austin under the same requirements and restrictions as the original gift. President Spurr felt that the Winedale property could be more fully utilized if this were done and the University could

2-01-74

legally expend other nonappropriated funds for some of the operational programs of the property. Such expenditures currently are not permitted since the property is legally held by a private foundation.

The Board of Regents had no objection to President Spurr discussing this possibility fully with Miss Ima Hogg and reporting back to the Board the results of his negotiations.

U. T. AUSTIN: WAIVER OF REGENTS' RULES AND REGULATIONS, PART ONE, CHAPTER III, SUBSECTION 5.42 (NEPOTISM) TO PERMIT EMPLOYMENT OF MRS. ADRIENNE R. LEVIN. --Subsection 5.42 of Chapter III of Part One of the Regents' Rules and Regulations was waived to permit employment of Mrs. Adrienne R. Levin as a Laboratory Research Assistant IV (part-time) to assist her husband in his botany research program funded by the National Science Foundation. Dr. Donald A. Levin is a Professor of Botany at The University of Texas at Austin.

U. T. AUSTIN - McDONALD OBSERVATORY: AUTHORIZATION FOR FINAL PLANS AND SPECIFICATIONS FOR WATER SUPPLY LINE AND FOR COMMITTEE TO APPROVE AND ADVERTISE FOR BIDS, AND APPROPRIATION THEREFOR. --The Administration reported that the engineering study and cost estimate relating to water sources for The University of Texas at Austin - The University of Texas McDonald Observatory at Mt. Locke, authorized by the Board of Regents on October 26, 1973, and a cost estimate for routing, piping and pumping water to the existing water system on Mt. Locke had been received from the Project Engineer, Freese, Nichols and Esmond. The estimate for piping the water from the two wells that have been drilled and capped (both on the McIvor Ranch) to the existing system is \$163,000.

Upon the recommendation of System Administration (1) the firm of Freese, Nichols and Esmond, Odessa, Texas, was authorized to complete the final plans and specifications for the water supply line, including pumping equipment and storage, (2) the Committee appointed by the Board of Regents on September 14, 1973, consisting of President Spurr, Deputy Chancellor Walker, Committee Chairman Erwin and Regents Bauerle and Shivers, was authorized to approve the final plans and specifications with authorization thereafter to the Office of Facilities Planning and Construction to advertise for bids, and (3) an appropriation of \$250,000 was authorized from the Available University Fund for McDonald Observatory water supply system, including drilling, testing, piping and pumping equipment, electrical power supply, right-of-way easements, engineering and consultant fees, construction costs, and other related expenses in connection with this project.

U. T. EL PASO: ACQUISITION OF LAND ADJACENT TO NORTH SIDE OF CAMPUS [8.148 ACRE TRACT (CARTER PROPERTY) AND 2.019 ACRE TRACT (EL PASO NATURAL GAS PROPERTY)]. --At the Regents' meeting on July 27, 1973, authorization was given to purchase a tract of approximately 8 acres of undeveloped land immediately adjacent to the north side of the campus of The University of Texas at El Paso for not more than the appraised price. Funds are available in the U. T. El Paso land acquisition account for this project. It was understood that details of this purchase would be reported at a subsequent meeting.

2-01-74

In accordance with the above action, the Administration reported that the owners of the said 8 acres, more particularly described as set out below, had agreed to sell the tract for an amount of \$774,000 and that the University has received from Ralph A. Sellers, Jr., of El Paso, an appraisal of this land reflecting the final value estimate of \$774,000:

"8.148 acres located in the Southwest corner of Lot 1, University Center, El Paso, Texas."

The foregoing acquisition was amended by authorization to include the purchase of 87,947 square feet, or 2.019 acres, from the El Paso Natural Gas Company at a cost not to exceed \$325,000. This property is contiguous to, and surrounded by, the tract above acquired (known as the Carter property) and other University land. On this property and included in authorized purchase thereof are permanent structures of approximately 15,550 square feet with an architectural style identical to other University buildings.

U. T. SAN ANTONIO: DESIGNATION OF VICE-PRESIDENT FOR BUSINESS AFFAIRS E. M. MAHON AS AGENT FOR TAX-FREE ALCOHOL. --For The University of Texas at San Antonio, the following resolution was adopted designating an authorized agent to secure tax-free alcohol:

WHEREAS, The University of Texas at San Antonio is carrying on research programs which require a continuing supply of alcohol for experimental and other scientific purposes:

THEREFORE, BE IT RESOLVED, That Mr. E. M. Mahon, Vice-President for Business Affairs of The University of Texas at San Antonio, be authorized to have charge of and be responsible for and apply for and sign the "Application and Withdrawal Permit to Procure Spirits Free of Tax" for The University of Texas at San Antonio, and

BE IT FURTHER RESOLVED, That it shall be the duty of Mr. E. M. Mahon to execute on behalf of The University of Texas at San Antonio any and all documents required by the Alcohol and Tobacco Tax, Internal Revenue Service.

U. T. SAN ANTONIO: PERMISSION TO EMPLOY MISS CARMEN PERRY PURSUANT TO REGENTS' RULES AND REGULATIONS, PART ONE, CHAPTER III, SECTION 13.11. --President Flawn's request for permission to employ Miss Carmen Perry as Special Collection-Rare Book Librarian (one-half time) at an annual full-time salary rate of \$12,000, effective February 1, 1974, at The University of Texas at San Antonio was granted.

Miss Perry is currently employed two-fifths time by the Texas Department of Parks and Wildlife as a translator and researcher. This approval is given under Section 13.11, Chapter III, Part One of the Regents' Rules and Regulations since there is no conflict in the two non-elective positions.

UNIVERSITY CANCER CENTER (M. D. ANDERSON) - ENVIRONMENTAL SCIENCE PARK, BUESCHER DIVISION AT SMITHVILLE: ACCEPTANCE OF EDA GRANT NO. 08-01-01526, APPROPRIATION OF MATCHING FUNDS, AND APPOINTMENT OF KENNETH E. BENTSEN ASSOCIATES, HOUSTON, TEXAS, PROJECT ARCHITECT. --For the construction of the initial facilities in the Buescher State Park Area of the Environmental Science Park at Smithville of The University of Texas System Cancer Center, Grant No. 08-01-01526 in the amount of \$1,250,000 (representing 50 percent of the estimated total project cost) was accepted from the Economic Development Administration of the United States Department of Commerce.

To match these funds for the construction of this facility, the following appropriations were authorized:

M. D. Anderson Account No. 187600 - Remodeling of Service Areas	\$ 1,000,000
M. D. Anderson Account No. 101751 - General Funds Unappropriated Surplus	\$ 250,000
Total Appropriation	<u>\$ 1,250,000</u>

The firm of Kenneth E. Bentsen Associates, Houston, Texas, was appointed Project Architect to prepare the preliminary plans and specifications to be submitted to the Board of Regents for approval at a future meeting. These facilities will include, among other things, a conference center, laboratories, housing and dining facilities covering approximately 46,000 square feet.

RATIFICATION (AFFILIATION AGREEMENT). --The following affiliation agreement was ratified:

System Nursing School: Affiliation Agreement with Haltom General Hospital of Fort Worth, Texas. --Based on the model agreement for clinical training of nursing students approved by the Board of Regents on September 12, 1970, an affiliation agreement between the Board of Regents of The University of Texas System on behalf of The University of Texas System School of Nursing and Haltom General Hospital of Fort Worth, Texas was ratified. The Chairman of the Board of Regents was authorized to execute this agreement when it has been approved as to form by a University attorney and as to content by the Assistant to the Chancellor for Health Affairs and the Deputy Chancellor for Administration.

ITEMS FOR THE RECORD. --The following items were reported for the record:

1. U. T. System: Extension of Term of Boiler and Machinery Policy. --It was reported that in accordance with authorization given at the meeting of the Board of Regents held on December 7, 1973, the system-wide boiler and machinery

REPORTS

U. T. AUSTIN: ACCEPTANCE OF RESIGNATION OF STUART P. WRIGHT AND APPOINTMENT OF V. F. (DOC) NEUHAUS, SR., REGENTAL REPRESENTATIVE ON ATHLETIC COUNCIL. --In response to Chairman McNeese's call for reports, Regent Shivers reported that he had received the resignation in writing of Stuart P. Wright, Major General (retired), as one of the Regents' representatives on the Athletic Council of The University of Texas at Austin. Upon motion of Regent Shivers, duly seconded, the resignation of Stuart P. Wright was accepted and V. F. (Doc) Neuhaus, Sr., of Mission, Texas, was appointed to fill this vacancy.

U. T. AUSTIN - REPORT OF SPECIAL COMMITTEE TO MEET WITH CITY COUNCIL OF AUSTIN ON PRESENT AND FUTURE USE OF LAND OCCUPIED BY AUSTIN MUNICIPAL GOLF COURSE (BRACKENRIDGE TRACT) AND ALL OTHER MATTERS PENDING BETWEEN CITY COUNCIL AND BOARD OF REGENTS: (1) APPROVAL BY CITY COUNCIL OF REGENTS' REPORT OF DECEMBER 7, 1973, (2) RELEASE BY CITY OF AUSTIN OF 1-1/3 ACRE TRACT ADJACENT TO LCRA FACILITIES, AND (3) RELEASE BY BOARD OF REGENTS OF "RED BUD ISLAND PARK": System Administration reported on behalf of the Special Committee to Meet with the City Council of Austin on Present and Future Use of Land Occupied by Austin Municipal Golf Course (Brackenridge Tract) and All Other Matters Pending Between the City Council and the Board of Regents of The University of Texas System that the action taken by the Board of Regents on December 7, 1973, had likewise been approved by the City Council of Austin at its meeting on December 13, 1973.

The following recommendations of the Special Committee were approved, and the Chairman of the Board of Regents was authorized to execute any and all instruments necessary to accomplish these actions:

1. A release by the City of Austin of the perpetual lease or easement as to the 1-1/3 acre triangular tract of land located at the northwest corner of the intersection of Red Bud Trail and Lake Austin Boulevard and lying adjacent to the LCRA facilities subject only to the City retaining an easement for Red Bud Trail and the necessary drainage easements appurtenant thereto.
2. Release or Quit Claim Deed by the Board of Regents of The University of Texas of any and all rights it might have in "Red Bud Island Park" (Treasure Island) located in the Colorado River immediately below the dam.

Regent Shivers pointed out that neither of these tracts is nor has ever been a part of the golf course.

OTHER MATTERS

SCHEDULED MEETINGS AND EVENTS. --Austin was designated the place for the meeting of the Board of Regents previously scheduled on March 15, 1974.

PERMANENT UNIVERSITY FUND: RESOLUTION REQUESTING BOARD FOR LEASE, LAND COMMISSIONER AND ATTORNEY GENERAL TO TAKE ALL ACTION NECESSARY TO RECOVER ROYALTIES BASED ON FAIR MARKET VALUE OF OIL PRODUCED ON UNIVERSITY LANDS. -- In response to an oral presentation by Senator Peyton McKnight, the following resolution was adopted requesting the Board for Lease of University Lands, the Commissioner of the General Land Office, and the Attorney General of Texas to take any and all action necessary to recover for the benefit of the Permanent University Fund and The University of Texas System all oil royalties to which they may be entitled under the law:

WHEREAS, The Board of Regents of The University of Texas System owns approximately 591,184 acres of land which are under lease to many oil and gas operators-producers;

WHEREAS, The price on which royalties are paid on "old oil" produced from such lands is presently in the range of \$4.36 per barrel, allegedly because the price is subject to Federal price controls;

WHEREAS, In oil and gas leases issued by the Board for Lease of University Lands pursuant to Section 66.61, et seq., and predecessor statutes (the statutes providing for the terms of lease of University Lands) it is provided that the royalty on oil and gas produced from University Lands shall be based on a price which is not less than the market price thereof in the general area;

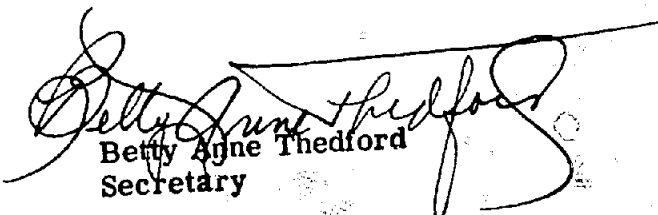

WHEREAS, In the price control regulations promulgated by the Federal Government (now by the Federal Energy Office and formerly by the Cost of Living Council) the sale of oil by state governments is expressly exempted from price control ceilings;

WHEREAS, It has been established that at the present time and for some months past the fair market price of oil in many areas far exceeds the value of oil upon which the University's royalties on "old oil" have been computed and paid; now, therefore be it

RESOLVED by the Board of Regents of The University of Texas System that the Board for Lease of University Lands, the Commissioner of the General Land Office, and the Attorney General of Texas are hereby requested to take at the earliest possible time any and all action necessary to recover for the benefit of the Permanent University Fund and The University of Texas System all oil royalties to which they may be entitled under the law and any and all action necessary to assure that in the future the Permanent University Fund and The University of Texas System will receive all oil royalties to which they may be entitled under the law.

ADJOURNMENT. -- There being no further business, the meeting was duly adjourned at 1:55 p. m.
