

**FIVE-YEAR EXTENSION TO RESTATED AND AMENDED
IRB RECIPROCITY AGREEMENT
MEMORANDUM OF UNDERSTANDING**

This Five-Year Extension to Restated and Amended IRB Reciprocity Agreement Memorandum of Understanding ("Extension"), having an effective date of July 1, 2020 ("Effective Date"), is between the Extension Parties (as defined below) and any institutions who may be added to this Master Reciprocity Agreement at a future date.

The Extension Parties entered in a Restated and Amended IRB Master Reciprocity Agreement Memorandum of Understanding effective July 1, 2015 ("Agreement"), concerning the reciprocal use of each other's Institutional Review Boards ("IRBs") for research that will be conducted by investigators at those institutions.

Paragraph XIII(B) of the Agreement states, "The term of this Master Reciprocity Agreement may be extended if the [p]arties agree in writing to renew it for additional five-year periods."

The Extension Parties now desire to extend the term of the Agreement pursuant to Paragraph XII(B), as more particularly set forth below:

1. The Extension Parties desire to extend the term for an additional five (5) years so that the Agreement shall remain effective and expire June 30, 2025 unless further extended.
2. The Agreement and Appendices thereto shall remain in full force and effect, except all references to Clinical Trials Express ("CTX") shall be removed, and all lists of Participating Institutions shall be updated to include only Extension Parties and not parties to the Agreement who decline to extend the Agreement beyond June 30, 2020.
3. Upon execution and return of the signature page, any Extension Party will be included on the list on the website at <https://www.utsystem.edu/documents/docs/universal-and-master-agreements/statewide-master-institutional-review-boards-irbs> and in any list of Participating Institutions in the Agreement effective from July 1, 2020 to June 30, 2025.
4. The Extension Parties agree and understand that additional Participating Institutions may be added as Extension Parties to this Agreement by completing and executing an Amendment substantially in the form of **Appendix 1** to the Agreement.

NOW, THEREFORE, in consideration of the mutual promises set forth herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Extension Parties promise and agree as follows:

The undersigned have read and agreed to all of the terms above, and have the authority to bind their respective Participating Institutions. Written concurrence is required for this Master Reciprocity Agreement to have legal effect, as memorialized by signature below.
