Holiday Leave

Employees who are appointed to work at least 20 hours per week for a period of at least 4.5 continuous months are eligible for holiday leave. Holidays are compensated at 8 hours per day for full-time employees. Part-time employees receive holiday pay proportionate to the number of hours appointed to work weekly. The state legislature determines the number of holidays observed by all state agencies and institutions of higher education. The total number of holidays consists of various national and state holidays which fall on a weekday; holidays that fall on a weekend are not included.

Skeleton Workforce Required

Offices must remain open and sufficiently staffed to conduct official business.

Floating Holiday

Depending on the number of holidays within a fiscal year, a floating holiday may be included in the holiday schedule. If included in the holiday schedule, full-time employees will receive 8 hours of floating holiday leave per award. Part-time employees will receive a proportionate amount based on the number of hours appointed to work weekly. The FY 2025 schedule does not include a floating holiday.

Holiday Compensatory Time

Employees who work on a holiday will receive equivalent time off categorized as holiday compensatory time. Earned holiday compensatory time may be used as leave within the 12-month period following the holiday worked.

Optional Holidays

The legislature has designated Rosh Hashanah, Yom Kippur, and Good Friday as optional holidays. A holiday pay-eligible employee may observe optional holidays by working on any holiday in which a skeleton workforce is required or by using applicable accrued leave.
